SYNOPSIS: Under existing law, the State Forestry Commission may promulgate administrative rules.

This bill would provide that a violation of certain administrative rules promulgated by the State Forestry Commission and pertaining to the conduct of persons on land designated as a state forest is a Class C misdemeanor.

Amendment 621 of the Constitution of Alabama of 1901, now appearing as Section 111.05 of the Official Recompilation of the Constitution of Alabama of 1901, as amended, prohibits a general law whose purpose or effect would be to require a new or increased expenditure of local funds from becoming effective with regard to a local governmental entity without enactment by a $2 / 3$ vote unless: it comes within one of a number of specified exceptions; it is approved by the affected entity; or the Legislature appropriates funds, or provides a local source of revenue, to the entity for the purpose.

The purpose or effect of this bill would be to require a new or increased expenditure of local funds within the meaning of the amendment. However, the bill does not require approval of a local governmental entity or enactment by a $2 / 3$ vote to become effective because it comes within one of the specified exceptions contained in the amendment.
