8 SYNOPSIS: Under existing law, the governing body of a
9 municipality is required to hold regular meetings
10 and the presiding officer may call special
11 meetings. In addition, the presiding officer is
12 required to call a special meeting when requested
13 by the mayor or two council members. Existing law
14 does not provide a procedure to cancel a meeting or
15 give notice when it is known that a quorum will not
16 be available.

17 This bill would authorize the presiding
18 officer of a municipal council to cancel a meeting
19 if the presiding officer receives written notice
20 that a quorum will not be present.
