8 SYNOPSIS: This bill would encourage joint use  
9 agreements between public school districts, local  
10 governments, and private entities for recreation  
11 and exercise facilities, and to provide immunity  
12 from liability for participating school districts.

13 Amendment 621 of the Constitution of Alabama  
14 of 1901, now appearing as Section 111.05 of the  
15 Official Recompilation of the Constitution of  
16 Alabama of 1901, as amended, prohibits a general  
17 law whose purpose or effect would be to require a  
18 new or increased expenditure of local funds from  
19 becoming effective with regard to a local  
20 governmental entity without enactment by a 2/3 vote  
21 unless: it comes within one of a number of  
22 specified exceptions; it is approved by the  
23 affected entity; or the Legislature appropriates  
24 funds, or provides a local source of revenue, to  
25 the entity for the purpose.

26 The purpose or effect of this bill would be  
27 to require a new or increased expenditure of local

1 funds within the meaning of the amendment. However,  
2 the bill does not require approval of a local  
3 governmental entity or enactment by a 2/3 vote to  
4 become effective because it comes within one of the  
5 specified exceptions contained in the amendment.

15 school districts under certain circumstances; to provide  
16 legislative findings; to provide definitions; to provide for  
17 rulemaking; to provide an effective date; and in connection  
18 therewith would have as its purpose or effect the requirement  
19 of a new or increased expenditure of local funds within the  
20 meaning of Amendment 621 of the Constitution of Alabama of  
21 1901, now appearing as Section 111.05 of the Official  
22 Recompilation of the Constitution of Alabama of 1901, as  
23 amended.

24 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

25 Section 1. The Legislature finds and declares all of  
26 the following:

1 (1) That greater access to recreation and exercise  
2 opportunities is needed in Alabama to reduce the impact of

4 (2) That schools are presently equipped with  
5 taxpayer funded playgrounds, fields, tracks, courts, and other  
6 exercise and play facilities that offer quick, easily  
7 accessible opportunities for exercise for Alabama residents  
8 regardless of income.

9 (3) That all local boards of education should be  
10 encouraged to develop policies for increased joint use  
11 agreements.

12 Section 2. (a) For the purposes of this act, the  
13 following terms shall have the following meanings:

14 (1) DEPARTMENT. The State Department of Education.

19 (b) Each school district across the state is  
20 strongly encouraged to participate in joint use programs with  
21 a preference given to programs that give the local community  
22 access to the recreation and exercise facilities on each  
23 school campus. The department shall develop model joint use  
24 agreement language for the state and post this model language  
25 on the department website.

26 (c) A school participating in a joint use agreement  
27 with public or private entities shall be protected from

1 liability when they enter into joint use agreements as

24 procedures necessary to protect educational facilities and  
25 grounds when used for such purposes through joint use  
26 agreements.

1                   Section 3. Although this bill would have as its  
2                   purpose or effect the requirement of a new or increased  
3                   expenditure of local funds, the bill is excluded from further  
4                   requirements and application under Amendment 621, now  
5                   appearing as Section 111.05 of the Official Recompilation of  
6                   the Constitution of Alabama of 1901, as amended, because the  
7                   bill requires expenditures only by a school board.

8                   Section 4. This act shall become effective October  
9                   1, 2011, following its passage and approval by the Governor,  
10                  or its otherwise becoming law.
