5 First Read: 26-JAN-10

8 SYNOPSIS: Under existing law, certain persons who
9 were former prisoners of war may receive a
10 distinctive license plate based on that service.

11 This bill would create a new distinctive
12 POW/MIA license plate category for motor vehicles
13 and a new distinctive POW/MIA tag for motorcycles.
14 This bill would provide that the distinctive
15 POW/MIA tag would be of a different design than the
16 POW tag available only to persons who were
17 certified as a POW. This bill would provide that
18 any resident motor vehicle owner could receive the
19 distinctive POW/MIA motor vehicle tag or
20 distinctive motorcycle tag upon payment of an
21 additional fee. This bill would also provide that
22 the additional annual fee would be paid to the
23 Veterans' Assistance Fund in the State Treasury.
