207616-1:n:06/24/2020:LK/ma LSA2020-1473

8 SYNOPSIS: Existing law relating to the adoption of new 9 rules by agencies grants the Joint Committee on 10 Administrative Regulation Review discretionary 11 authority to approve, disapprove, or recommend 12 changes to an agency's proposed rule, or to render 13 no action and approve an agency's proposed rule by 14 implication.

15 The existing review process for proposed 16 rules also requires that: (1) proposed rules that 17 have an economic impact on businesses must be 18 accompanied by a Business Impact Analysis detailing 19 the proposed rule's estimated impact on businesses; 20 and (2) proposed rules that have any economic 21 impact must be accompanied by a fiscal note 22 detailing the rule's impact on the state, its 23 governmental and non-governmental entities, and its 24 residents, generally. The joint committee, upon 25 receipt of these materials, may exercise its 26 discretionary power to require the agency to

consider the feasibility of alternatives with less economic impact.

This bill would set a minimum threshold for 3 a proposed rule's economic impact where, if the 4 5 total costs estimated within the fiscal note detailing the proposed rule's impact exceeds a \$1 6 7 million threshold, the rule shall not take effect 8 absent a joint resolution of approval by the 9 Legislature, or submission to the joint committee 10 for approval of a germane modification to the rule to reduce costs below the threshold. If that 11 estimate exceeds \$750,000, the Legislative Services 12 13 Agency, Fiscal Division, would perform an analysis 14 of the veracity and accuracy of the fiscal note.

15This bill would also allow any member of the16Legislature or the joint committee to request that17the joint committee require an agency to prepare18and submit a Business Impact Analysis.

8 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

9 Section 1. Sections 41-22-5.1, 41-22-5.2, and 10 41-22-23, Code of Alabama 1975, as last amended by Act 11 2019-498, 2019 Regular Session, are amended to read as 12 follows:

13

"§41-22-5.1.

14 "(a) This section and Section 41-22-5.2 shall be15 known and may be cited as "The Red Tape Reduction Act."

16 "(b) When an agency files a notice of intent to 17 adopt, amend, or repeal any rule, the agency shall make its 18 best efforts to notify the public of the proposed rule. At a minimum, when the agency files the notice of intent, the 19 20 agency shall post the text of the rule the agency proposes to 21 adopt, amend, or repeal on its website or, if the agency has 22 no website, on a website operated or maintained by the 23 executive branch. Additionally, when the agency files a notice 24 of intent to adopt, amend, or repeal a rule, the agency shall 25 electronically notify any person who has registered with the 26 agency his or her desire to receive notification of any 27 proposal by the agency to adopt, amend, or repeal a rule.

"(c) If, prior to the end of the notice period, a 1 2 business notifies an agency that it will be negatively impacted by an action proposed under subsection (b), the 3 agency shall prepare and submit to the committee the 4 5 information provided by the affected business as well as a 6 business impact analysis of the proposed action. The analysis 7 shall estimate the number of businesses subject to the agency's proposal as well as the projected reporting, 8 9 recordkeeping, and other administrative costs required for 10 compliance with the proposal. An agency shall prepare the business impact analysis using information available to the 11 agency in the normal course of business and utilizing the 12 13 expertise and experience of existing agency employees.

14 "(d) If, prior to the end of the notice period, any 15 member of the Legislature or the joint committee notifies the 16 committee that he or she wishes the agency to prepare and 17 submit to the committee a business impact analysis as 18 described in subsection (c), the committee may, upon a 19 majority vote of the committee, require the agency to prepare 20 and submit the statement.

21 "(d) (e) After receiving a business impact analysis 22 from an agency, the committee may require the agency to 23 analyze and report to the committee the feasibility of some or 24 all of the following methods of reducing the impact of the 25 rule on businesses:

"(1) The establishment of less stringent compliance
or reporting requirements for businesses.

"(2) The establishment of less stringent schedules
 or deadlines for compliance or reporting requirements for
 businesses.

4 "(3) The consolidation or simplification of
5 compliance or reporting requirements for businesses.

6 "(4) The establishment of performance standards for 7 businesses to replace design or operational standards required 8 in the rule.

9 "(e) (f) The agency shall state in the business 10 impact analysis whether the proposed rule is proposed as a result of a requirement issued by a federal agency or 11 12 self-regulatory organization or an act of the Legislature to 13 administer a non-discretionary tax, license, fee, or penalty. If so, the agency shall submit information identifying the 14 15 specific requirement issued by the federal agency or self-regulatory organization or required by an act of the 16 17 Legislature.

18 "(f) (g) A business impact analysis required to be 19 filed pursuant to this section shall be filed with the 20 Legislative Services Agency, Legal Division, at the same time 21 as the certified rule is filed and shall be available for 22 public inspection.

23 "(g) (h) Each agency that files a business impact 24 analysis, at the time it is filed, shall place that statement 25 on its website in a location that is easily accessible by the 26 general public, or, if the agency does not have a website, on 27 a website operated or maintained by the executive branch.

1 "(h) (i) If the committee determines that an agency 2 or a division of an agency exists primarily to perform certification or licensing-related functions, the agency is 3 not required to comply with this section unless the committee 4 5 determines in writing that an agency's proposal has such a 6 negative impact on businesses that the filing of a business 7 impact analysis is warranted. Notwithstanding subsection (c) of Section 41-22-6, which provides that a rule is effective 45 8 9 days after notice that the agency filed the certified rule 10 with the Legislative Services Agency, Legal Division, is published in the Alabama Administrative Monthly, in any case 11 in which the committee determines that the filing of a 12 13 business impact analysis is warranted as provided in this section, the effective date of the rule shall be 45 additional 14 15 days after the effective date specified in subsection (c) of Section 41-22-6. In all other respects, the remainder of this 16 17 chapter shall continue to apply to the proposed rule.

18 "(i) (j) An agency or department shall fulfill any 19 request for license or permit within 28 (30) calendar days 20 after receiving the application or notify the applicant of the 21 reason for failure to issue the license or permit.

22 "(j) (k) An agency is not required to comply with 23 this section if the proposed rule is being adopted in order 24 for the agency to comply with membership requirements in a 25 multi-state or national membership organization.

- "(k) (1) This section shall not apply to the
 adoption of an emergency rule adopted pursuant to subsection
 (b) of Section 41-22-5.
- 4

"§41-22-5.2.

5 "(a) Within five years of July 1, 2013, and every five years thereafter, each agency shall review all agency 6 7 rules existing on that date to determine whether the rules should be continued without change, or should be amended or 8 9 rescinded , and shall certify that the agency completed the 10 review to the Legislative Services Agency, Legal Division. The agency may indicate compliance with the requirements of this 11 12 section by filing a notice in the Alabama Administrative 13 Monthly certifying its compliance. If the head of the agency determines that completion of the review of existing rules is 14 15 not feasible by the established date, the agency shall publish 16 a statement certifying that determination.

"(b) A rule adopted after July 1, 2013, shall be
 reviewed every five years in a manner consistent with
 subsection (a).

20 "(b) If an agency does not certify that the agency 21 has reviewed its rules within each five-year period pursuant to subsection (a), the agency shall not adopt any new rules 22 23 within each five-year period pursuant to subsection (a), 24 unless those new rules are required to be adopted, 25 implemented, or amended pursuant to a requirement issued by a federal agency, federal law, self-regulatory organization, or 26 27 required by an act of the Legislature.

1

"§41-22-23.

2 "(a) The notice required by subdivision (a)(1) of Section 41-22-5 shall be given, in addition to the persons 3 named in the notice, to each member of the committee and such 4 5 other persons in the legislative department as the committee 6 requires. The form of the proposed rule presented to the 7 committee shall be as follows: New language shall be 8 underlined and language to be deleted shall be typed and lined 9 through. The notice may be provided in an electronic format.

10 "(b)(1) Within the 45-day period between the date of publication in the Alabama Administrative Monthly that a rule 11 has been certified and the date it becomes effective, and 12 13 subject to subsection (h) of Section 41-22-5.1, the committee shall study all proposed rules and may hold public hearings. 14 15 The committee may adopt a policy providing when a public hearing will be held on a rule meeting specified criteria. In 16 the event the committee fails to give notice to the agency of 17 18 either its approval or disapproval of the proposed rule within 45 days after the notice is published in the Alabama 19 20 Administrative Monthly that the rule has been certified and 21 filed with the Legislative Services Agency, Legal Division, pursuant to Section 41-22-6, the committee shall be deemed to 22 23 have approved the proposed rule for the purposes of this 24 section.

(2) In the event the committee disapproves a
proposed rule or any part thereof, it shall give notice of the
disapproval to the agency. The disapproval of any rule may be

1 appealed to the Lieutenant Governor in writing by the agency 2 that submitted the rule within 15 days of disapproval. The Office of the Lieutenant Governor shall stamp the written 3 appeal to denote the date the appeal was received. If the 4 5 disapproval of a rule is appealed to the Lieutenant Governor, the Lieutenant Governor, within the 15 days after the notice 6 7 of appeal of the disapproval of the rule is filed, may review the rule and hold public hearings he or she determines 8 9 necessary.

10 "(3) If the Lieutenant Governor sustains the 11 disapproval of the rule, he or she shall notify the committee 12 and return the rule to the agency and the disapproval shall be 13 final.

14 "(4) If the Lieutenant Governor approves the rule, 15 he or she shall notify the chair of the committee. The rule 16 shall become effective upon adjournment of the next regular 17 session of the Legislature that commences after the approval 18 unless, prior to that time, the Legislature adopts a joint 19 resolution that overrules the approval by the Lieutenant 20 Governor and sustains the action of the committee.

"(5) If the Lieutenant Governor fails to either approve or disapprove the rule within the 15 days after the notice of appeal of the disapproval of the committee, the rule shall be deemed approved and the rule shall become effective upon adjournment of the next regular session of the Legislature that commences after the deemed approval unless, prior to that time, the Legislature adopts a joint resolution

Page 9

that overrides the deemed approval of the Lieutenant Governor 1 and sustains the action of the committee. In the event the 2 Office of the Lieutenant Governor is vacant, a rule 3 disapproved by the committee shall be suspended until the 4 5 adjournment of the next regular session of the Legislature 6 following the disapproval. The rule shall be reinstated on 7 adjournment of that regular session unless the Legislature, by joint resolution, sustains the disapproval. 8

9 "(c) The committee may propose an amendment to any 10 proposed rule and return it to the agency with the suggested amendment. In the event the agency accepts the rule as 11 12 amended, the agency may resubmit the rule as amended to the 13 committee and the rule shall become effective on the date 14 specified in the rule, or on the date the amended rule is 15 submitted, whichever is later. In the event the agency does 16 not accept the amendment, the proposed amended rule shall be 17 deemed disapproved, as provided in subsection (b).

18 "(d) An agency may withdraw a proposed or certified 19 rule. An agency may resubmit a rule so withdrawn or returned 20 under this section with minor modification. Such a rule is a 21 new filing and subject to this section but is not subject to 22 further notice as provided in subsection (a) of Section 23 41-22-5.

24 "(e) The committee is authorized to review and 25 approve or disapprove any rule adopted prior to October 1, 26 1982.

"(f) A rule submitted to the committee which has an 1 2 economic impact shall be accompanied by a fiscal note prepared 3 by the agency and including a specific dollar amount of anticipated economic impact in accordance with this 4 5 subsection. The fiscal note shall be resubmitted with any changes when filing the certified rule. For any fiscal note 6 7 anticipating seven hundred fifty thousand dollars (\$750,000) 8 or more of implementation and compliance costs, the 9 Legislative Services Agency, Fiscal Division, within 21 days 10 of certification of the rule, shall provide to the committee a brief analysis of the accuracy and veracity of the agency's 11 12 fiscal note and anticipated economic impact. Upon receiving the fiscal note, and an<u>alysis, if any</u>, the committee may 13 14 require additional information from the submitting agency, 15 other state agencies, or other sources. A state agency shall cooperate and provide information to the committee. At a 16 17 minimum, the fiscal note submitted with a proposed rule shall 18 include the following:

19 "(1) A determination of the need for the rule and20 the expected benefit of the rule.

"(2) A determination of the costs and benefits associated with the rule and an explanation of why the rule is considered to be the most cost effective, efficient, and feasible means for allocating public and private resources and for achieving the stated purpose.

26

"(3) The effect of the rule on competition.

"(4) The effect of the rule on the cost of living
 and doing business in the geographical area in which the rule
 would be implemented.

4 "(5) The effect of the rule on employment in the 5 geographical area in which the rule would be implemented.

6 "(6) The source of revenue to be used for 7 implementing and enforcing the rule.

8 "(7) A conclusion on the short-term and long-term 9 economic impact upon all persons substantially affected by the 10 rule, including an analysis containing a description of which 11 persons will bear the costs of the rule and which persons will 12 benefit directly and indirectly from the rule.

"(8) The uncertainties associated with the estimation of particular benefits and burdens and the difficulties involved in the comparison of qualitatively and quantitatively dissimilar benefits and burdens. A determination of the need for the rule shall consider qualitative and quantitative benefits and burdens.

"(9) The effect of the rule on the environment andpublic health.

"(10) The detrimental effect on the environment and
public health if the rule is not implemented.

"(11) Whether the proposed rule is proposed as a
result of a requirement issued by a federal agency or
self-regulatory organization or required to be adopted,
implemented, or amended by an act of the Legislature to
administer a non-discretionary tax, license, fee, or penalty.

1	"(g)(1) If the total economic impact estimated
2	within the fiscal note submitted with a certified rule exceeds
3	one million dollars (\$1,000,000), in implementation and
4	compliance costs, or if the Legislative Services Agency,
5	Fiscal Division determines that the estimated economic impact
6	exceeds one million dollars (\$1,000,000) in implementation and
7	compliance costs, the rule shall not take effect unless a
8	joint resolution of approval is passed by the Legislature, or
9	a modification is approved by the joint committee pursuant
10	subdivision (2). This subdivision shall not apply to rules
11	required to be adopted, implemented, or amended as a result of
12	a change in federal law, a requirement issued by a federal
13	agency or self-regulatory organization, or as a result of an
14	act of the Legislature to administer a non-discretionary tax,
15	license, fee, or penalty.
16	"(2) The agency may submit to the committee for
17	approval a germane modification to the rule to reduce the
18	economic impact below one million dollars (\$1,000,000); if the
19	committee approves the proposed amendment, the rule shall take
20	effect as amended. The agency, in modifying the certified
21	rule, shall consider the following criteria:
22	"a. The establishment of less stringent compliance
23	or reporting requirements for businesses, governmental
24	entities, and individuals.
25	"b. The establishment of less stringent schedules or
26	deadlines for compliance or reporting requirements for
27	businesses, governmental entities, and individuals.

1	"c. The consolidation or simplification of
2	compliance or reporting requirements for businesses,
3	governmental entities, and individuals.
4	"d. The establishment of performance standards for
5	businesses or governmental entities to replace design or
6	operational standards required in the bill.
7	" (g) <u>(h)</u> In determining whether to approve or
8	disapprove proposed rules, the committee shall consider the
9	following criteria:
10	"(1) Is there a statutory authority for the proposed
11	rule?
12	"(2) Would the absence of the rule or rules
13	significantly harm or endanger the public health, safety, or
14	welfare?
15	"(3) Is there a reasonable relationship between the
16	state's police power and the protection of the public health,
17	safety, or welfare?
18	"(4) Is there another, less restrictive method of
19	regulation available that could adequately protect the public?
20	"(5) Does the rule or do the rules have the effect
21	of directly or indirectly increasing the costs of any goods or
22	services involved and, if so, to what degree?
23	"(6) Is the increase in cost, if any, more harmful
24	to the public than the harm that might result from the absence
25	of the rule or rules?

1	"(7) Are the qualitative and quantitative benefits
2	to businesses, governmental entities, and individuals
3	outweighed by the estimated burden?
4	" (7) <u>(8)</u> Are all facets of the rulemaking process
5	designed solely for the purpose of, and so they have, as their
6	primary effect, the protection of the public?
7	" (8) <u>(9)</u> Any other criteria the committee may deem
8	appropriate."
9	Section 2. This act shall become effective on the
10	first day of the third month following its passage and
11	approval by the Governor, or its otherwise becoming law.
