8	SYNOPSIS:	Under existing law, in certain
9		circumstances, a state may request, a waiver from
10		the U.S. Department of Agriculture of the work
11		requirements that an able-bodied adult without
12		dependents must comply with in order to receive
13		assistance from the Supplemental Nutritional
14		Assistance Program (SNAP).
15		This bill would prohibit the Commissioner of
16		the Department of Human Resources from requesting a
17		waiver of federal job requirements for able-bodied
18		adults without dependents who are applicants or
19		recipients of the Supplemental Nutritional
20		Assistance Program.
21		This bill would require all able-bodied
22		adults without dependents who are applicants or
23		recipients of SNAP benefits to participate in
24		minimum work requirements, a work training program,
25		or volunteer community service and provide limited

exemptions from these work requirements.

1	This bill would also require the Department
2	of Human Resources to develop a work training
3	program for recipients of SNAP benefits.
