8 SYNOPSIS: Under existing law, Section 106 of the
9 Official Recompilation of the Constitution of
10 Alabama of 1901, as amended (Amendment 341), the
11 substance of any bill proposing a special, private,
12 or local law is required to be advertised in a
13 newspaper of general circulation in the county for
14 four weeks prior to introduction in either house of
15 the Legislature. Additionally, Section 106 does not
16 provide any specific procedure for a special,
17 private, or local bill to be substantively amended
18 during the legislative process.

19 This proposed amendment would provide that
20 the substance of a special, private, or local bill
21 would be required to be advertised in a newspaper
22 of general circulation in the county for four weeks
23 prior to introduction and would provide for
24 exceptions when there is no newspaper of general
25 circulation in the county. The proposed amendment
26 would provide procedures for the amendment of a
27 special, private, or local bill during the

1 legislative process under procedures established
2 relating to the adoption of proposed changes to the
3 special, private, or local bill prior to final
4 passage in the house of the amendment's origin.
