17	"(c) The Board of Control of the Teachers'
18	Retirement System shall provide for annual elections to fill
19	the position of any trustee whose term has expired. Appointed
20	members shall serve three-year terms. Qualifying members may
21	be reappointed for successive terms. With the exception of
22	those members serving on the Board of Control by virtue of
23	their respective offices, each member of the Board of Control
24	shall be an expert in the field of investments, market
25	analysis, or financial planning, or on similar matters
26	commensurate with the duties and responsibilities of the
27	proper operation of the Teachers' Retirement System.

Additionally, with the exception of those members serving on the Board of Control as a result of being appointed by the State Superintendent of Education, the Chancellor of the Department of Postsecondary Education, or the Council of College and University Presidents, no member of the Board of Control shall hold a full-time office or position of employment with the state, any county or municipality in the state, any educational institution, or any instrumentality, agency, or subdivision of the foregoing. Furthermore, no person employed by a business or firm doing business with the Retirement Systems of Alabama shall be allowed to serve as a member of the Board of Control.

"All members of the Board of Control, both elected and appointed, shall complete an annual financial training course prescribed by the State Treasurer.

- "(d) If a vacancy occurs in the office of a trustee, the vacancy, within 30 days, shall be filled for the remainder of the unexpired term through appointment by a simple majority vote of the Board of Control the appropriate appointed authority.
- "(e) The trustees shall serve without compensation for their services as trustees, but they shall be reimbursed from the expense fund for all necessary expenses that they may incur through service on the Board of Control.
- "(f) Each trustee shall, within 10 days after his appointment or election, take an oath of office that, so far as it devolves upon him, he will diligently and honestly

administer the affairs of the Board of Control and that he will not knowingly violate or willingly permit to be violated any of the provisions of law applicable to the retirement system. Such oath shall be subscribed to by the member making it, certified by the officer before whom it is taken and immediately filed in the office of the Secretary of State.

- "(g) Each trustee shall be entitled to one vote in the Board of Control. Eight Seven votes shall be necessary for a decision by the trustees at any meeting of said board. In case of a tied vote the decision shall fail.
- "(h) Subject to the limitations of this chapter, the Board of Control shall from time to time establish rules and regulations for the administration of the funds created by this chapter and for the transaction of its business.
- "(i) The Board of Control shall elect from its membership a chairman and by a majority vote of all the members shall elect a Secretary-Treasurer, who shall serve as chief executive officer of the retirement system. In addition thereto, the Board of Control may engage such actuarial and administrative officers and other special services as shall be deemed necessary to transact the business of the retirement system. The compensation and expenses of these actuarial and administrative officers and other special services shall be paid at such rates and in such amounts as the Board of Control shall approve. All other employees not in these categories of employment shall be employed under the provisions of the Merit System Act.

"(j) The Board of Control shall keep in convenient form such data as shall be necessary for actuarial valuation of the various funds of the retirement system and for checking the experience of the system.

- "(k) The Board of Control shall keep a record of all its proceedings which shall be open to public inspection. It shall publish annually a report showing the fiscal transactions of the retirement system for the preceding school year, the amount of the accumulated cash and securities of the system and the last balance sheet showing the financial condition of the system by means of an actuarial valuation of the assets and liabilities of the retirement system.
- "(1) The Attorney General of the state shall be the legal adviser of the Board of Control.
- "(m) The Board of Control shall designate a medical board to be composed of three physicians not eligible to participate in the retirement system. If required, other physicians may be employed to report on special cases. The medical board shall arrange for and pass upon all medical examinations required under this chapter, shall investigate all essential statements and certificates by or on behalf of a member in connection with an application for disability retirement and shall report in writing to the Board of Control its conclusions and recommendations upon all matters referred to it.
- "(n) The Board of Control shall designate an actuary who shall be the technical adviser of the Board of Control on

matters regarding the operation of the funds created by the provisions of this chapter and who shall perform such other duties as are required in connection therewith.

- "(o) Immediately after the establishment of the retirement system, the actuary shall make such investigation of the mortality, service and compensation experience of the members of the system as he shall recommend and the Board of Control shall authorize, and on the basis of such investigation he shall recommend for adoption by the Board of Control such tables and such rates as are required in subdivisions (1) and (2) of subsection (p) of this section.

  The Board of Control shall adopt tables and certify rates; and, as soon as practicable thereafter, the actuary shall make a valuation based on such tables and rates, of the assets and liabilities of the funds created by this chapter.
- "(p) In the year 1943, and at least once in each five-year period thereafter, the actuary shall make an actuarial investigation into the mortality, service and compensation experience of the members and beneficiaries of the retirement system and shall make a valuation of the assets and liabilities of the funds of the system; and, taking into account the results of such investigation and valuation, the Board of Control shall:
- "(1) Adopt for the retirement system such mortality, service and other tables as shall be deemed necessary; and
- "(2) Certify the rates of contributions payable by the state under the provisions of this chapter.

"(q) On the basis of such tables as the Board of 1 2 Control shall adopt, the actuary shall make an annual valuation of the assets and liabilities of the funds of the 3 system created by this chapter." Section 2. To the extent possible, the membership of 5 the Board of Control shall be inclusive and reflect the 6 7 racial, gender, geographic, urban/rural, and economic diversity of the state. 8 9 Section 3. It is the intent of the Legislature that 10 there be an orderly transition between the current membership of the Board of Control and the members of the Board of 11 12 Control provided for in this act. The first meeting of the reconstituted Board of Control shall be held not later than 13 October 1, 2015. 14 15 Section 4. The provisions of this act are severable. If any part of this act is declared invalid or 16 17 unconstitutional, that declaration shall not affect the part which remains. 18 Section 5. This act shall become effective 19
