8 SYNOPSIS: Under current law there exist a number of
9 statutory and constitutional earmarks for the
10 spending of state revenues.

11 This proposed amendment to the Constitution
12 of Alabama of 1901, to become effective January 1,
13 2017, would eliminate all requirements that limit
14 the appropriation or spending of state revenues in
15 a particular manner contained in the Constitution
16 of Alabama of 1901 and prohibit any general or
17 local law that directs state revenue to be
18 appropriated or spent in a particular manner. The
19 proposed amendment would further allow for a
20 unified appropriations bill.
