8 SYNOPSIS: Under existing general law, the judges of
9 probate in this state are provided a minimum salary
10 that was provided by Act 90-702 of the 1990 Regular
11 Session, Section 12-13-20, Code of Alabama 1975.
12 This salary was adjusted by certain increases in
13 the Omnibus Pay Act in Act 2000-108, Chapter 2A of
14 Title 11, Code of Alabama 1975, based on certain
15 population categories of counties established
16 therein. In addition, a judge of probate of a
17 county may receive a cost-of-living adjustment
18 under certain conditions pursuant to the Omnibus
19 Pay Act if a cost-of-living increase for county
20 employees is adopted at the time of the adoption of
21 a county budget.

22 This bill would provide that the judge of
23 probate of a county would receive an annual salary
24 based on a percentage of the salary of a state
25 district court judge according to the population
26 category of the county in the Omnibus Pay Act as
27 provided in this act, adjusted based on the years

1 of service of the judge of probate in the same
2 manner as the salaries as for district court judges
3 are adjusted based on bench time as a district
4 court judge.

5 This bill would also repeal certain
6 provisions providing for the judges of probate to
7 receive five cents per name for the preparation of
8 voter lists.

19 Section 17-3-60, Code of Alabama 1975, to delete provisions
