8 SYNOPSIS: Under existing law, in order to gain ballot  
9 access, an independent political party or an  
10 independent candidate for an office is required to  
11 file a written petition signed by at least three  
12 percent of the qualified electors who cast ballots  
13 for the Office of Governor in the last general  
14 election by the date of the first primary election.

15 This bill would alter the timeframe in which  
16 an independent political party may submit  
17 signatures in order for a candidate for office to  
18 gain ballot access.

19 This bill would also require an independent  
20 candidate to pay a processing fee at the time of  
21 submission of the petition for ballot access.
