SYNOPSIS: Existing law provides for the crime of promoting prison contraband in the first, second, and third degrees.

This bill would specifically include attempt in the crime of promoting prison contraband in the first, second, and third degrees.

Amendment 621 of the Constitution of Alabama of 1901, now appearing as Section 111.05 of the Official Recompilation of the Constitution of Alabama of 1901, as amended, prohibits a general law whose purpose or effect would be to require a new or increased expenditure of local funds from becoming effective with regard to a local governmental entity without enactment by a 2/3 vote unless: it comes within one of a number of specified exceptions; it is approved by the affected entity; or the Legislature appropriates funds, or provides a local source of revenue, to the entity for the purpose.

1 The purpose or effect of this bill would be
2 to require a new or increased expenditure of local
3 funds within the meaning of the amendment. However,
4 the bill does not require approval of a local
5 governmental entity or enactment by a 2/3 vote to
6 become effective because it comes within one of the
7 specified exceptions contained in the amendment.
