1 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

2 Section 1. Sections 34-2A-2, 34-2A-8, 34-2A-11,  
3 34-2A-12, and 34-2A-13, Code of Alabama 1975, are amended to  
4 read as follows:

5 "§34-2A-2.

6 "(a) All administrators of assisted living  
7 facilities or specialty care assisted living facilities as  
8 recorded in the records of the State Department of Public  
9 Health shall be issued a provisional license, as defined  
10 herein, upon the effective date of this act. On and after  
11 September 1, 2003, no assisted living facility in the state  
12 may operate unless it is under the supervision of an  
13 administrator who holds a currently valid assisted living  
14 administrator's license, or new initial provisional license,  
15 issued by the board. No person shall practice or offer to  
16 practice assisted living administration in this state or use  
17 any title, sign, card, or device to indicate that he or she is  
18 an assisted living administrator unless the person shall have  
19 been duly licensed as an assisted living administrator or as a  
20 provisional assisted living administrator in this state. In  
21 the event an assisted living administrator dies, unexpectedly  
22 resigns, becomes incapacitated, or has his or her license  
23 revoked, the person or persons then responsible for the  
24 management of the assisted living facility shall immediately  
25 notify the board and the State Board of Health. The board may  
26 issue an emergency permit to a person performing the functions  
27 of administrator in the assisted living facility for a

1 reasonable period of time from the date of death, unexpected  
2 resignation, incapacitation, or revocation of the license of  
3 the assisted living administrator, but not to exceed 120 days.  
4 Although the State Board of Health, in its discretion, may  
5 permit the assisted living facility to continue to operate  
6 under the supervision of a person issued an emergency permit,  
7 nothing in this section shall be construed as prohibiting the  
8 State Board of Health from denying or revoking the license of  
9 the assisted living facility where the State Board of Health  
10 has determined that the person with the emergency permit does  
11 not demonstrate an ability or willingness to comply with State  
12 Board of Health rules governing assisted living facilities or  
13 where the State Board of Health has determined that the  
14 facility is not otherwise in compliance with those rules.

15 "(b) Nothing in this section shall be construed to  
16 prohibit a licensed assisted living administrator from  
17 supervising more than one assisted living facility if specific  
18 permission is granted by the State Department of Public  
19 Health.

20 "§34-2A-8.

21 "(a) The board shall admit to examination for  
22 licensure as an assisted living administrator any candidate  
23 who submits evidence of good moral character and suitability  
24 as prescribed by the board and who submits evidence to the  
25 board that he or she is at least 19 years of age, a citizen of  
26 the United States or, if not a citizen of the United States, a  
27 person who is legally present in the United States with

1 appropriate documentation from the federal government, that he  
2 or she is a high school graduate or has completed an  
3 educational program equivalent thereto, and that he or she has  
4 completed any additional educational requirements prescribed  
5 by the board. The board may exempt the educational  
6 requirements for practicing administrators on March 1, 2002,  
7 based on acceptable experience and tenure in the applicant's  
8 current position. Each candidate shall also be required, prior  
9 to admission to the examination, to pay an examination fee  
10 established by the board pursuant to its rule-making  
11 authority.

12 "(b) The board may establish an application fee for  
13 the internship or administrator in training (AIT) program, if  
14 such a program is established, and a fee for preceptor,  
15 certification, and recertification of any administrator in  
16 training (AIT) program pursuant to its rule-making authority.

17 "(c) The board may establish a replacement license  
18 fee for any licensing card previously issued by the board that  
19 has been stolen, lost, or misplaced.

20 "§34-2A-11.

21 "(a) The board may, subject to this chapter and the  
22 rules and regulations of the board prescribing the  
23 qualifications for an assisted living administrator license,  
24 issue a license to an assisted living administrator who has  
25 been issued a license by the proper authorities of any other  
26 state or issued a certificate of qualification by any national  
27 organization, upon complying with the provisions of licensure,

2 rule-making authority, and upon submission of evidence  
3 satisfactory to the board of all of the following:

4 "(1) That the other state or national organization  
5 maintained a system and standards of qualification and  
6 examinations for an assisted living administrator license or  
7 certificate which were substantially equivalent to those  
8 required in this state at the time the other license or  
9 certificate was issued by the other state or national  
10 organization.

11 "(2) That the other state gives similar recognition  
12 and endorsement to assisted living administrator licenses of  
13 this state. The board may charge a fee for completion of a  
14 reciprocity questionnaire, pursuant to its rule-making  
15 authority.

17 in this state, and continuously maintains such license as a

2 licensure requirements provided herein during the initial  
3 18-month licensing period described in subsection (a) of  
4 Section 34-2A-2, the initial license issued shall be a  
5 provisional license until the end of the 18-month period at  
6 which time, and thereafter, an active license shall be issued.

7           "(3) Any assisted living administrator license  
8 issued according to subdivision (1) or subdivision (2) of this  
9 subsection shall become void if the requisite nursing home  
10 administrator license becomes void. Further, the license shall  
11 become inactive, as described in subsection (e) of Section  
12 34-2A-12, if the licensee no longer has responsibility for an  
13 assisted living facility. After 12 months in inactive status,  
14 the license shall expire and become void.

15           "(c) Any person who is an administrator/chief  
16 executive officer of an acute care hospital in this state  
17 shall be exempt from the licensure requirement herein if the  
18 person at the time of application has responsibility for  
19 administration of an assisted living facility subject to the  
20 following conditions:

24 and document initially and annually thereafter their continued  
25 employment as an administrator/chief executive officer of an  
26 acute care hospital.

1           "(2) If any person requests an exemption from the  
2 licensure requirements provided herein during the initial  
3 18-month licensing period described in subsection (a) of  
4 Section 34-2A-2, the initial license issued shall be a  
5 provisional license until the end of the 18-month period at  
6 which time, and thereafter, an active license shall be issued.

7           "(3) Any assisted living administrator license  
8 issued according to subdivision (1) or subdivision (2) of this  
9 subsection shall become void if the person no longer is the  
10 administrator/chief executive officer of a hospital. Further,  
11 the license shall become inactive, as described in subsection  
12 (e) of Section 34-2A-12 if the licensee no longer has  
13 responsibility for an assisted living facility. After 12  
14 months in inactive status, the license shall expire and become
