5 probate.

6 Section 2. The following words and phrases when used

4 filing and recording of notices or statements of liens of any
5 kind, notices of judgments, and plats or maps showing the
6 subdivision of real estate.

7 Section 3. The judge of probate may provide for the
8 installation or enhancement, or both, and thereafter for the
9 maintenance of an improved recording, archiving, and retrieval
10 system in the Probate Office of Montgomery County. The initial
11 installation of the improved recording, archival, and

21 person or persons, firm, or corporation engaged in the records
22 management business and experienced in setting up county
23 records and shall be supervised and inspected by a person who
24 is experienced in handling records pertaining to abstracts or
25 titles. Following installation or enhancement, or both, in the
26 county, the improved recording, archiving, and retrieving
27 system shall be thereafter maintained in the county and all

1 real property instruments, general property instruments,
2 personal property instruments, and other documents and records
3 herein provided to constitute a part of the system that may be
4 thereafter filed for record in the probate office of the
5 county shall be in accordance with the improved recording,
6 archiving, and retrieving system. Each real property
7 instrument and each personal property instrument shall be
8 operative as a record from the time of its delivery to the
9 judge of probate of the county, in accordance with existing
10 law, including, without limitation, Section 12-13-43, Code of
11 Alabama 1975.

12 Section 4. Following the installation or enhancement
13 of any system, real property instruments, personal property

20 Section 5. All laws of Alabama relating to the
21 recording of real property instruments, personal property
22 instruments, general property instruments, miscellaneous
23 instruments, and other instruments and records that may
24 constitute part of an improved recording, archiving, and

26 limitation, Section 12-13-43, Code of Alabama 1975, and all
27 statutes respecting the filing and recording of notices or

5 effect with respect to an improved recording, archiving, and
6 retrieving system installed hereunder, the recording of
7 instruments therein, and the duties of the judge of probate
8 with respect thereto.

9 Section 6. The costs of installation or enhancement
10 of any system shall be paid entirely out of the special
11 recording fees. Nothing contained in this section, however,
12 shall prohibit the county from using any part of its own funds
13 for the purpose of paying the costs of purchasing, operating,
14 or maintaining, after the initial installation, any improved
15 system installed pursuant to this act.

16 Section 7. Effective immediately after the date this
17 act becomes applicable to Montgomery County, a special
18 recording and filing fee of five dollars (\$5) shall be paid to
19 and collected by the Judge of Probate of Montgomery County,
20 with respect to each real property instrument, each personal
21 property instrument, and each Uniform Commercial Code document
22 that may be filed for record in the office of the judge of

24 the probate office at the discretion of the judge of probate,
25 and on and after that date, no instrument or document shall be
26 received for record in the office of the judge of probate
27 unless the special recording fee of five dollars (\$5) is paid.

1 The special recording fee shall be in addition to all other
2 fees, taxes, and charges required by law to be paid upon the
3 filing for record of any real property instrument, personal
4 property instrument, or Uniform Commercial Code document, and

8 fund in the office of the judge of probate to be designated as
9 the Judge of Probate Fund. These funds shall be used at the
10 discretion of the judge of probate for an improved recording,
11 archiving, and retrieving system and other equipment,
12 maintenance, and services necessary for the improvement of the
13 office of the judge of probate.

14 Section 8. The fees collected pursuant to this act
15 shall be controlled by the sole discretion of the judge of
16 probate and shall be audited by the Examiners of Public
17 Accounts. Records of the expenditures shall be open to the
18 public on a continuous basis.

19 Section 9. All funds held on the effective date of
20 this act in a special account in the county treasury for the
21 operation of an improved indexing and recording system in the
22 office of the judge of probate pursuant to Act 591 of the 1965
23 Regular Session (Acts 1965, p. 1104), as amended, shall be
24 transferred to the special fund of the judge of probate
25 established pursuant to this act and expended for the purposes
26 of this act as provided in this act. The indexing and
27 recording system in the office of judge of probate on the

1 effective date of this act shall continue to be operational
2 subject to any changes authorized pursuant to this act.

3 Section 10. All laws or parts of law in conflict
4 with this act are repealed. Act 591 of the 1965 Regular
5 Session (Acts 1965, p. 1104), as amended, is expressly
6 repealed.

7 Section 11. This act shall become effective on the
8 first day of the third month following its passage and
9 approval by the Governor, or its otherwise becoming law.
