11   Section 3. This act contains lists of census tracts,

12   blocks, and counties as generated by complex computer software

13   based upon maps drawn by the Legislature. The official maps,

14   which reflect the true intent of the Legislature in the

15   establishment of districts, shall be retained in the office of

16   the Secretary of State and printed as a part of the Acts. In

17   the event of any conflict, it is the intention of the

18   Legislature that the boundary descriptions provided by the

19   official maps shall prevail over the boundary descriptions

20   provided by the census tracts, blocks, and counties generated

21   for and specified in this act.

22   Section 4. This act shall become effective

23   immediately upon its passage and approval by the Governor, or

24   upon its otherwise becoming a law.
