8 SYNOPSIS: Under existing law, the Alabama Commission
9 on Higher Education is authorized to regulate, and
10 required to provide prior approval for,
11 instructional programs offered by non-Alabama
12 institutions of postsecondary education in the
13 state.

14 This bill would require the commission to
15 establish a schedule of programmatic review fees
16 for the review of instructional programs proposed
17 to be offered in the state by non-Alabama
18 institutions of postsecondary education and would
19 provide for the deposit of fees collected from
20 non-Alabama institutions of postsecondary education
21 into the State Treasury to the credit of the
22 commission.

23
