9 A BILL
10 TO BE ENTITLED
11 AN ACT
12

13 Relating to any Class 6 municipality adopting the
14 form of government provided in Chapter 44D, Title 11, Code of
15 Alabama 1975; to provide for the abatement of weeds which
16 become a nuisance under certain conditions; to provide for
17 notice to the property owners; to provide for the assessment
18 of costs for the abatement when the work is to be performed by
19 the municipality; and to provide for liens on the property
20 under certain conditions.

21 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

22 Section 1. This act shall apply only to a Class 6
23 municipality adopting the form of government provided in
24 Chapter 44D, Title 11, Code of Alabama 1975.

25 Section 2. (a) An abundance of overgrown grass or
26 weeds within the municipality which is injurious to the
27 general public health, safety, and general welfare by

1 providing breeding grounds and shelter for rats, mice, snakes,
2 mosquitoes, and other vermin, insects, and pests; or attaining
3 heights and dryness so as to constitute a serious fire threat
4 and hazard; or bearing wingy or downy seeds, which when
5 mature, cause the spread of weeds and, when breathed in, cause
6 irritation of the throat, lungs, and eyes of the public; or
7 hiding debris, such as broken glass or metal, which could
8 inflict injury to persons; or being unsightly; or growth of
9 grass or weeds, other than ornamental plant growth, which
10 exceeds 12 inches in height may be declared to be a public
11 nuisance and abated as provided in this act.

12 (b) This act shall not apply to any of the
13 following:

14 (1) Heavily wooded areas in their natural state
15 which are undeveloped.

16 (2) Farm properties.

17 (3) Properties under current construction.

18 Section 3. (a) Whenever, in the opinion of the city
19 official or any other city employee designated by the mayor, a
20 nuisance exists, the official shall order the owner of the
21 property on which the nuisance is located to abate the
22 condition.

23 (b) The enforcing official shall give the owner
24 written notice in person or by certified letter with signature
25 of receipt required. The notice shall require the owner to
26 abate the condition within the time stated in the notice or to
27 request a hearing before an administrative official of the

1 city designated by the mayor or council to determine whether
2 there is a nuisance. The notice shall apprise the owner of the
3 facts of the alleged nuisance and shall name the particular
4 date, time, and place for the hearing if requested by the
5 owner.

6 (c) The notice shall be sent to that person shown by
7 the records of the county to have been the last person
8 assessed for payment of ad valorem tax on the property where
9 the nuisance is situated. It shall be the responsibility of
10 that person to promptly advise the enforcing official of a
11 change of ownership or interest in the property.

12 (d) The notice shall also be posted in a conspicuous
13 place on the property.

14 (e) The notice shall require the owner to complete
15 abatement of the nuisance within 14 days from the date of
16 notice, provided the enforcing official may stipulate
17 additional time, but in no case more than 28 days.

18 (f) A hearing before the administrative official
19 shall be requested within five days of the date of the notice
20 by the enforcing official. The enforcing official shall notify
21 the owner by personal service or by certified mail of the
22 determination of the administrative official. If the
23 administrative official determines that a nuisance exists, the
24 owner shall comply with the initial order to abate issued by
25 the enforcing official, with modifications as may be made by
26 the administrative official.

1 (g) Any person aggrieved by the decision of the
2 administrative official at the hearing may, within 10 days
3 from receipt of the determination by the administrative
4 official, appeal to the circuit court upon filing with the
5 clerk of the court notice of the appeal and bond for security
6 of costs in the form and amount to be approved by the circuit
7 clerk. Upon filing of the notice of appeal and approval of the
8 bond, the clerk of the court shall serve a copy of the notice
9 of appeal on the clerk of the municipality and the appeal
10 shall be docketed in the court and shall be a preferred case.
11 The clerk of the municipality shall, upon receiving the
12 notice, file with the clerk of the court a copy of the finding
13 and determination of the administrative official in its
14 proceedings. Any trials shall be held without a jury upon the
15 determination of the administrative official that the weeds
16 are a public nuisance.

17 Section 4. (a) If the owner fails, neglects, or
18 refuses to abate the condition after notice to do so, the
19 enforcing official shall cause the offending grass or weeds to
20 be cut.

21 (b) Upon completion of the abatement work performed
22 by the municipality, including work by contractors employed by
23 the city, the enforcing official shall compute the actual
24 expenses, including, but not limited to, total wages paid,
25 value of the use of equipment, advertising expenses, postage,
26 and materials purchased, which were incurred by the
27 municipality as a result of the work. An itemized statement of

1 the expenses shall be provided by certified letter with
2 signature receipt required to the last known address of the
3 owner of the property. This notice shall be sent at least five
4 days in advance of the time fixed by the city council to
5 consider the assessment of the cost against the property.

6 (c) At the time fixed for receiving and considering
7 the statement, the council shall hear the same, together with
8 any objections which may be raised by the owner whose property
9 is liable to be assessed for the work and make modifications
10 in the statement as deemed necessary, after which a resolution
11 may assess the cost. The cost stated in the resolution shall
12 constitute a lien on the property. The revenue officer shall
13 charge the assessments against the respective lots or parcels
14 of land for municipal purposes. Thereafter, the amounts shall
15 be collected at the same time and in the same manner as
16 ordinary municipal assessments are collected, and shall be
17 subject to the same penalties and the same procedure under
18 foreclosure and sale in case of delinquency as provided for
19 ordinary municipal assessments.

20 (d) The revenue officer shall cause a certified copy
21 of the resolution assessing the cost of abatement to be filed
22 for recording in the office of the judge of probate and shall
23 forward a copy to the Lee County Revenue Commissioner. Upon a
24 filing, the Lee County Revenue Commissioner shall add the
25 amount of the lien to the ad valorem tax bill on the property
26 and shall collect the amount as if it were a tax, using all

1 methods available for collecting ad valorem tax, and remit the
2 amount to the municipality.

3 Section 5. Where an assessment is made against a lot
4 or lots or parcel or parcels of land, a subsequent redemption
5 by a person authorized to redeem, or sale by the state, shall
6 not operate to discharge, or in any manner affect the lien of
7 the municipality for the assessment, but a redemptioner or
8 purchaser at a sale by the state of any lot or lots or parcel
9 or parcels of land upon which an assessment has been levied,
10 whether prior to or subsequent to a sale to the state for the
11 nonpayment of taxes, shall take the same subject to the
12 assessment.

13 Section 6. This act is cumulative in its nature and
14 is in addition to any and all power and authority which a
15 Class 6 municipality may have under any other law.

16 Section 7. The provisions of this act are severable.
17 If any part of this act is declared invalid or
18 unconstitutional, that declaration shall not affect the part,
19 which remains.

20 Section 8. This act shall become effective
21 immediately following its passage and approval by the
22 Governor, or its otherwise becoming law.
