13 contributed pursuant to this subdivision shall be derived from
14 the gasoline tax proceeds remaining in the Public Road and
15 Bridge Fund after distributions of the tax to the cities and
16 counties. Any contributions which are to provide funds for
17 debt service on bonds issued by the bank shall continue until
18 the bonds have been fully repaid.

19 (2) An annual contribution, as determined by the
20 Director of the Department of Transportation and approved by
21 the Governor, of an amount of the revenues collected pursuant
22 to Section 40-12-248, Code of Alabama 1975, not to exceed the

22 year.

23 Section 7. (a) Earnings on balances in the federal
24 highway account, as created by this act, must be credited and
25 invested according to federal law. The bank may establish
26 accounts and subaccounts within the state highway account and

1 the federal highway account as considered desirable to
2 effectuate the purposes of this act, or to meet the
3 requirements of any state or federal programs. All accounts
4 shall be held in trust by the State Treasurer.

5 (b) For necessary and convenient administration of
6 the bank, the board shall direct the State Treasurer to

8 the bank necessary to meet any applicable federal law
9 requirements or as the bank shall determine necessary or
10 desirable in order to implement this act.

11 (c) The bank shall comply with all applicable
12 federal laws and regulations prohibiting the commingling of
13 certain federal funds deposited in the bank.

14 Section 8. (a) The bank may provide loans and other
15 financial assistance to a government unit to pay for all or
16 part of the eligible cost of a qualified project. The term of
17 the loan or other financial assistance must not exceed the
18 useful life of the project. The bank may require the
19 government unit to enter into a financing agreement in
20 connection with its loan obligation or other financial
21 assistance. The board shall determine the form and content of
22 loan applications, financing agreements, and loan obligations
23 including the term and rate or rates of interest on a
24 financing agreement. The terms and conditions of a loan or
25 other financial assistance from the federal highway account
26 shall comply with applicable federal requirements.

1 (b) The board shall determine which projects are
2 eligible projects and then select from among the eligible
3 projects those qualified to receive from the bank a loan or
4 other financial assistance. Preference shall be given to
5 eligible projects that have the most local financial support.
6 The board shall establish by rule or regulation a minimum
7 amount of local financial support which will be required in
8 order to qualify for loans or grants from the bank. Any such
9 minimum requirement shall be established as a percentage of
10 the total project costs and shall apply to all eligible
11 projects. In selecting qualified projects, the board shall
12 consider the projected feasibility of the project and the
13 amount and degree of risk to be assumed by the bank. The board
14 also may consider, but shall not be limited to, the following
15 criteria in making its determination that an eligible project
16 is a qualified project:

17 (1) The local support of the project, expressed by
18 resolutions by the governing bodies in the areas in which the
19 project will be located, and the financial or in-kind
20 contributions to the project.

21 (2) Maximum economic benefit, enhancement of
22 mobility, enhancement of public safety, acceleration of
23 project completion, and enhancement of transportation
24 services.

25 (3) The ability of the applicant to repay a loan
26 according to the terms and conditions established pursuant to

1 this act, consideration of which may include, at the option of
2 the bank board, the existence of current investment grade
3 rating on existing debt of the applicant secured by the same
4 revenues to be pledged to secure repayment under the loan
5 repayment agreement.

6 (4) The financial or in-kind contributions to the
7 project.

8 (5) Greater weighting in recommending priorities for
9 eligible projects to areas of the state experiencing high
10 unemployment.

11 (6) Whether the governing bodies of the county or
12 the incorporated municipality in which the project is to be
13 located provides to the bank a resolution which makes a
14 finding that the project is essential to economic development
15 in the political subdivisions, or the bank receives a
16 certificate from the Alabama Department of Commerce that the
17 project is essential to economic development in the state, or
18 both, at the option of the board.

19 Section 9. (a) Qualified borrowers may obtain loans
20 or other financial assistance from the bank through financing
21 agreements. Qualified borrowers entering into financing
22 agreements and issuing loan obligations to the bank may
23 perform any acts, take any action, adopt any proceedings, and
24 make and carry out any contracts or agreements with the bank
25 as may be agreed to by the bank and any qualified borrower for
26 the carrying out the purposes of this act.

1 (b) In addition to the authorizations contained in
2 this act, all other statutes or provisions permitting
3 government units to borrow money and issue obligations may be
4 utilized by any government unit in obtaining a loan or other
5 financial assistance from the bank to the extent determined
6 necessary or useful by the government unit in connection with
7 any financing agreement and the issuance, securing, or sale of
8 loan obligations to the bank.

9 (c) A qualified borrower may receive, apply, pledge,
10 assign, and grant a security interest in project revenues,
11 and, in the case of a government unit, its project revenues,
12 revenues derived from a special source or ad valorem taxes, to
13 secure its obligations as provided in this act, and may fix,
14 revise, charge, and collect fees, rates, rents, assessments,
15 and other charges of general or special application for the
16 operation or services of a qualified project, the system of
17 which it is a part, and any other revenue producing facilities
18 from which the qualified borrower derives project revenues, to
19 meet its obligations under a financing agreement or to provide
20 for the construction and improving of a qualified project.

21 Section 10. The bank is performing an essential
22 governmental function in the exercise of the powers conferred
23 upon it and is not required to pay taxes or assessments upon
24 property or upon its operations or the income from them, or
25 taxes or assessments upon property or loan obligations
26 acquired or used by the bank or upon the income from them.

1 Section 11. (a) If a government unit fails to
2 collect and remit in full all amounts due to the bank on the
3 date these amounts are due under the terms of any note or
4 other obligation of the government unit, the bank shall notify
5 the State Treasurer who shall withhold all or a portion of the
6 funds of the state and all funds administered by the state,
7 its agencies, boards, and instrumentalities allotted or
8 appropriated to the government unit and apply an amount
9 necessary to the payment of the amount due.

10 (b) Nothing contained in this section mandates the
11 withholding of funds allocated to a government unit the
12 withholding of which would violate contracts to which the
13 state is a party, the requirements of federal law imposed on
14 the state, or judgments of a court binding on the state.

15 Section 12. Neither the board nor any officer,
16 employee, or committee of the bank acting on behalf of it,
17 while acting within the scope of authority granted by this
18 act, is subject to any liability resulting from carrying out
19 any of the powers given in this act, unless the officer or
20 employee acted in an unreasonable or reckless manner.

21 Section 13. Notice, proceeding, or publication,
22 except those required in this act, are not necessary to the
23 performance of any power authorized in this act nor is any act
24 of the bank subject to any referendum.

25 Section 14. All money of the bank, except as
26 authorized by law or provided in this act, shall be deposited

1 with and invested by the State Treasurer. Funds of the bank
2 not needed for immediate use or disbursement may be invested
3 by the State Treasurer in obligations or securities which are
4 declared to be legal obligations by general law. All federal
5 funds shall be invested as required by applicable federal law.

6 Section 15. Following the close of each state fiscal
7 year, the bank shall submit an annual report of its activities
8 for the preceding year to the Governor and to the Legislature.
9 The bank also shall submit an annual report to the appropriate
10 federal agency in accordance with requirements of any federal
11 program. An independent certified public accountant shall
12 perform an audit of the books and accounts of the bank at
13 least once in each state fiscal year.

14 Section 16. This act, being for the welfare of this
15 state and its inhabitants, shall be liberally construed to
16 effect the purposes specified in this act. However, nothing in
17 this act shall be construed as affecting any proceeding,
18 notice, or approval required by law for the issuance by a
19 government unit of the loan obligations, instruments, or
20 security for loan obligations.

21 Section 17. (a) Whenever it shall become necessary
22 that monies be raised for qualified projects, including monies
23 to be used to refund any bonds then outstanding, the bank may
24 issue bonds as provided in this act.

25 (b) The bank may pledge any of its revenue or funds
26 to the payment of its bonds, subject only to any prior

1 agreements with the holders of particular bonds which may have
2 pledged specific money or revenue. Bonds may be secured by a
3 pledge of any loan obligation owned by the bank, any grant,
4 contribution, or guaranty from the United States, the state,
5 or any corporation, association, institution, or person, any
6 other property or assets of the bank, or a pledge of any
7 money, income, or revenue of the bank from any source.

8 Section 18. Bonds issued by the bank shall not
9 constitute a debt or a pledge of the full faith and credit of
10 this state, or any of its political subdivisions other than
11 the bank, but are payable solely from the revenue, money, or
12 property of the bank as provided in this act. The bonds issued
13 do not constitute an indebtedness of the state within the
14 meaning of any constitutional or statutory limitation. No
15 member of the bank or any person executing bonds of the bank
16 is liable personally on the bonds by reason of their issuance
17 or execution. Each bond issued under this act shall contain on
18 its face a statement to the effect of the following:

19 (1) Neither the state, any of its political
20 subdivisions, nor the bank is obligated to pay the principal
21 of or interest on the bond or other costs incident to the bond
22 except from the revenue, money, or property of the bank
23 pledged.

24 (2) Neither the full faith and credit nor the taxing
25 power of the state, or any of its political subdivisions, is

1 pledged to the payment of the principal of or interest on the
2 bond.

3 (3) The bank does not have taxing power.

4 Section 19. (a) The bonds of the bank must be
5 authorized by a resolution of the bank.

6 (b) The bonds shall bear the date and mature at the
7 time which the resolution provides, except that no bond may
8 mature more than 40 years from its date of issue.

9 (c) The bonds may be in the denominations, be
10 executed in the manner, be payable in the medium of payment,
11 be payable at the place and at the time, and be subject to
12 redemption or repurchase and contain other provisions
13 determined by the bank prior to their issuance.

14 (d) The bonds may bear interest payable at a time
15 and at a rate as determined by the bank, including the
16 determination by agents designated by the bank under
17 guidelines established by it.

18 (e) Bonds may be sold by the bank at public or
19 private sale at the price it determines and approves.

20 (f) The State Treasurer shall issue the bonds of the
21 bank not later than 60 days upon the resolution of the bank
22 authorizing the issuance of the bonds.

23 Section 20. (a) Bonds may be secured by a trust
24 indenture between the bank and a corporate trustee, which may
25 be the State Treasurer or any bank having trust powers or any
26 trust company, designated by the State Treasurer doing

1 business in this state. A trust indenture may contain
2 provisions for protecting and enforcing the rights and
3 remedies of the bondholders which are reasonable and proper,
4 including covenants setting forth the duties of the bank in
5 relation to the exercise of its powers and the custody,
6 safekeeping, and application of its money. The bank may
7 provide by the trust indenture for the payment of the proceeds
8 of the bonds and all or any part of the revenues of the bank
9 to the trustee under the trust indenture or to some other
10 depository, and for the method of its disbursement with
11 safeguards and restrictions prescribed by it. All expenses
12 incurred in performing the obligations of the bank under the
13 trust indenture may be treated as part of its operating
14 expenses.

15 (b) Any resolution or trust indenture pursuant to
16 which bonds are issued may contain provisions which are part
17 of the contract with the holders of the bonds and which
18 include the following:

19 (1) Pledging all or any part of the revenue of the
20 bank to secure the payment of the bonds.

21 (2) Pledging all or any part of the assets of the
22 bank including loan obligations owned by it to secure the
23 payment of the bonds.

24 (3) The use and disposition of the gross income
25 from, and payment of the principal of, and interest on loan
26 obligations owned by the bank.

1 (4) The establishment of reserves, sinking funds,
2 and other funds and accounts, and their regulation and
3 disposition.

4 (5) Limitations on the purposes to which the
5 proceeds from the sale of the bonds may be applied, and
