**House Bill 465** as passed the House of Representatives would appropriate a total of \$10 million from the Opioid Treatment and Abatement Fund, for the fiscal year ending September 30, 2023, to the following entities in the following amounts:

(a) \$1.5 million to the Department of Corrections for opioid and co-occurring substance abuse treatment; and

(b) \$8.5 million to the Department of Mental Health to fund a competitive grant program for community providers that provide opioid prevention, treatment, medication, and services.

This bill would also provide that these funds would not revert at the end of fiscal year 2023 but would carry forward for the purposes appropriated.
