

## **FISCAL NOTE**

### **House Bill 332**

Committee: Education Policy

Sponsor: Representative David Faulkner

Analyst: John Friedenreich

Date: 04/28/2025

---

**House Bill 332** as passed the House of Representatives would codify an existing rule of the State Department of Education to require public school students, beginning with students who will graduate during the 2030-2031 school year, to earn at least one credit in a department approved computer science course. This bill could increase the administrative obligations of the department to ensure that computer science courses meet certain instructional criteria.
