Committee: Judiciary

Sponsor: Representative Ben Harrison

Analyst: Jennifer Farish

Date: 02/11/2026

House Bill 347 as reported by the Committee on Judiciary could increase the administrative obligations of the Attorney General for the enforcement of certain consumer protections regarding illicit material, as provided by this bill; however, these obligations may be offset by any damages, attorney's fees, or civil penalties of up to \$7,500 per violation that are recovered from violators of the provisions of this bill and retained by the Attorney General.

This bill could also increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, district attorneys, and local jails by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed.
