8 RECOGNIZING MARCH 2013 AS NEUROPATHY AWARENESS  
9 MONTH.  
10

11 WHEREAS, neuropathy is one of the least recognized  
12 group of disorders related to the damage or injury of nerves  
13 of the peripheral nervous system, causing numbness, pain,  
14 discomfort, and medical impairment to its victims; and

15 WHEREAS, in addition to existing medical treatment  
16 for neuropathy, advanced health care technologies, research,  
17 education, and awareness of the disorder are necessary to the  
18 support of neuropathy sufferers and their families; and

19 WHEREAS, neuropathy patients can find better coping  
20 methods, treatments, and outcomes by being persistent, staying  
21 informed, seeking conventional and experimental treatments,  
22 and seeking specialized health care givers in neuropathy; now  
23 therefore,

24 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH  
25 HOUSES THEREOF CONCURRING, That we recognize March 2013 as

1       Neuropathy Awareness Month and we urge the following actions  
2       regarding neuropathy awareness:

3               (1) The delivery of neuropathy coverage and care by  
4       governmental agencies and medical providers.

5               (2) The increased understanding of the scope and  
6       impact of neuropathy by health officials and the public.

7               (3) The increased funding of private and public  
8       research.

9               (4) The increased support of patients through such  
10      resources as e-Neuropathy Awareness, e-Neuropathy Research,  
11      and e-Neuropathy Education.
