12 Mexico, and on the southeast by Cuba; and the Gulf of Mexico  
13 is bordered by five Gulf Coast states: Alabama, Florida,

19 River drains more than one-third of the nation, and it is  
20 characterized with diverse flora and fauna, provides food,  
21 shelter, and habitat to marine and estuarine organisms,  
22 shorebirds, waterfowl, and wildlife, and the Gulf Coast  
23 supports our nation's seafood industry through commercial  
24 fishing but also provides recreational adventures such as  
25 sailing, kayaking, canoeing, paddle boarding, and fishing; and

1                   WHEREAS, the Gulf of Mexico is more than just a  
2 pretty picture; it provides thousands of miles of beautiful,  
3 affordable shoreline living, and the Gulf Coast region is also  
4 one of the most culturally diverse regions in the nation with  
5 millions of residents tracing their heritage to Europe,  
6 Africa, Asia, and Latin America, and the Gulf Coast embraces a  
7 variety of traditions and invokes a strong sense of place; and

8                   WHEREAS, Gulf Coast tourism generates hundreds of  
9 billions of dollars each year, and if the Gulf area were a  
10 country, our economy would rank among the top 10 worldwide,  
11 and by increasing awareness of the Gulf of Mexico's many  
12 treasures and limitless value, we ensure a sustainable future;  
13 now therefore,
