EXTENDING THE ALABAMA TASK FORCE ON VETERANS'
SUICIDE AND ALIGNING ITS EFFORTS WITH THE ALABAMA GOVERNOR'S
CHALLENGE TO PREVENT SUICIDE AMONG SERVICE MEMBERS, VETERANS,
AND THEIR FAMILIES.

WHEREAS, the Alabama Task Force on Veterans' Suicide
was created by the Legislature during the 2019 Regular Session
(Act 2019-144), to investigate causes of and prevention of
suicides among returning Alabama veterans of the United States
Military, and to make recommendations to the Legislature to
address this important issue; and

WHEREAS, in 2020, Alabama was invited to participate
in the Governor's Challenge to Prevent Suicide among Service
Members, Veterans, and Their Families, a program sponsored by
the United States Department of Veterans Affairs and the
Substance Abuse and Mental Health Services Administration;
this initiative and the Alabama Task Force on Veterans'
Suicide share the same intent, process, leadership, and team
composition and are highly complementary of one another; and

1 WHEREAS, the Alabama Task Force on Veterans' Suicide
2 submitted a report to the Legislature on October 6, 2020, and
3 concluded that the COVID-19 pandemic has unequivocally impeded
4 its efforts to accomplish the goals of the task force, thus
5 necessitating an extension of the task force; the report also
6 requested alignment of the efforts of the task force to that
7 of the Governor's Challenge to the extent possible, including
8 leadership alignment and integration of team members of each;
