Replace lines 72 through 77 on page 3 with the following:

(5) Any installation by the United States Postal Service of centralized mail delivery devices. Section 3. (a) Where installation is not prohibited under this section or any other law, central mail delivery devices shall be permitted to be located within any county or municipal right-of-way or easement and shall be permitted to be situated at the curb, if any, to allow for the safe, convenient, accessibility of the centralized mail delivery devices.

(b) No local government shall adopt any additional requirements by local ordinance or regulation pertaining to the establishment of centralized mail delivery or the installation of centralized mail delivery devices, except as expressly authorized by this section.

Section 4. This act shall become effective immediately
