

HB198 INTRODUCED

1 HB198
2 2QAHISK-1
3 By Representative Brown
4 RFD: County and Municipal Government
5 First Read: 20-Feb-24

SYNOPSIS:

Existing law provides the Home Builders Licensure Board with authority to adopt residential building codes and standards of practices for residential home builders within this state and allows county commissions and municipalities to adopt building laws and codes within their respective jurisdictions.

This bill would create the Alabama Residential Building Code Advisory Council to recommend an Alabama Residential Building Code, to be based upon the International Residential Code and the residential chapters of the International Energy Conservation Code, to be adopted by the Home Builders Licensure Board.

This bill would require counties and municipalities that enforce residential building laws or codes, when adopting new codes or amending existing codes, to adopt or amend the codes in accordance with the minimum standards set by the Alabama Residential Building Code.

This bill would require residential home builders in this state to build, renovate, and repair residences in accordance with the minimum standards set by the Alabama Residential Building Code.

This bill would establish the Alabama Residential Building Code Division within the Home

HB198 INTRODUCED

Builders Licensure Board and provide for the authority and jurisdiction of the division.

This bill would establish the Alabama Residential Building Code Fund within the State Treasury and would provide for the distribution of funds and administration thereof by the Alabama Residential Building Code Division for purposes of implementing the Alabama Residential Building Code.

This bill would allow the Alabama Residential Building Code Division to provide funds for grants designed to promote residential building code enforcement operations among local jurisdictions.

This bill would also change the name of the Alabama Energy and Residential Codes Board to the Alabama Commercial Energy Code Board and would further provide for the membership of the board.

A BILL

TO BE ENTITLED

AN ACT

Relating to building codes; to designate Sections 34-14A-1 through 34-14A-20 as Article 1 of Chapter 14A of Title 34, Code of Alabama 1975; to amend Sections 34-14A-1, 34-14A-2, 34-14A-7, 34-14A-12, and 34-14A-20, Code of Alabama 1975, to provide for the establishment of the Alabama Residential Building Code and its authority; to further

HB198 INTRODUCED

provide for the practice of residential home building; to further provide for the duties of the Home Builders Licensure Board; to add Sections 34-14A-12.1 and 34-14A-12.2 to the Code of Alabama 1975, to add Article 2, commencing with Section 34-14A-41, to Chapter 14A of Title 34, Code of Alabama 1975, to establish the Alabama Residential Building Code Division within the Home Builders Licensure Board and provide for its duties; to establish the Alabama Residential Building Code Fund in the State Treasury and provide for its administration; to add Article 6A, commencing with Section 41-9-175, to Chapter 9 of Title 41, Code of Alabama 1975, to establish the Alabama Residential Building Code Advisory Council and provide for its membership and duties; to amend Sections 41-23-80, 41-23-81, 41-23-82, 41-23-84, and 41-23-85, Code of Alabama 1975, to provide for the change of the name of the Alabama Energy and Residential Codes Board to the Alabama Commercial Energy Code Board and further provide for the membership of the board; and to provide requirements for certain local building codes adopted or amended after a date certain.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. Sections 34-14A-1 through 34-14A-20 are designated as Article 1 of Chapter 14A, Title 34, Code of Alabama 1975.

Section 2. Sections 34-14A-1, 34-14A-2, 34-14A-7, 34-14A-12, and 34-14A-20, Code of Alabama 1975, are amended to read as follows:

"§34-14A-1

(a) In the interest of the public health, safety,

HB198 INTRODUCED

welfare, and consumer protection, and to regulate the home building and private residence construction industry, the purpose of this chapter, and the intent of the Legislature in passing it, is ~~to~~:

(1) To provide for the licensure of those persons who engage in home building, private residence construction, and home improvement industries, including remodeling, and to provide home building standards

(2) To establish an Alabama Residential Building Code.

(3) To provide guidance, assistance, promotion, and support for code inspections of residential construction. ~~and to~~

(4) To support education within the construction trades and construction inspections in the State of Alabama.

(b) The Legislature recognizes that the home building and home improvement construction industries are significant industries. ~~Home builders may pose significant and that significant~~ harm to the public may result from the provision of when unqualified, incompetent, or dishonest home builders and remodelers provide inadequate, unsafe, or inferior building services by unqualified, incompetent, or dishonest home builders and remodelers. The Legislature finds it necessary to regulate the residential home building and home improvement industries."

"§34-14A-2

As used in this chapter, the following terms ~~shall~~ have the following meanings, respectively, unless the context clearly indicates otherwise:

HB198 INTRODUCED

(1) ADVERTISING. Engaging or offering to engage in any acts or services as a residential home builder by the act or practice of offering for sale professional services by promoting those services through print, radio or television media, on billboards, through social media, through promotional sponsorships, on vehicles, by the placement of signs in front of ongoing or completed worksites, or by displaying credentials, including licensure, to perform residential home building.

(2) ALABAMA RESIDENTIAL BUILDING CODE. The code adopted by the board, as amended by the board, and based on a published edition of the International Residential Code, and the residential chapters of a published edition of the International Energy Conservation Code.

(3) APPLICABLE RESIDENTIAL BUILDING CODE. The Alabama Residential Building Code or a local residential building code adopted by a county or municipality, pursuant to this chapter, where the construction, renovation, or repairs will take place.

~~(1) ADVISORY COUNCIL. The Alabama Construction Trade Advisory Council.~~

~~(2)~~ (4) BOARD. The Home Builders Licensure Board.

~~(3)~~ (5) COST OF THE UNDERTAKING. The total cost of the materials, labor, supervision, overhead, and profit.

(6) COUNCIL. The Alabama Residential Building Code Advisory Council.

(7) DIVISION. The Alabama Residential Building Code Division.

HB198 INTRODUCED

141 ~~(4)~~ (8) HOMEOWNER. A person who owns and resides in or
142 intends to reside in a structure constructed or remodeled by a
143 licensee of the board, or who contracts with a licensee for
144 the purchase, construction, repair, improvement, or
145 reimprovement of a structure to be used as a residence.

146 ~~(5)~~ (9) IMPROVEMENT. Any site-built addition or
147 enhancement attached to or detached from a residence or
148 structure for use and enjoyment by the homeowner.

149 ~~(6)~~ (10) INACTIVE LICENSE. A license issued at the
150 request of a licensee, or a building official or a building
151 inspector, that is renewable, but that is not currently valid.

152 ~~(7)~~ (11) LICENSE. Any license issued by the board
153 pursuant to this chapter.

154 ~~(8)~~ (12) LICENSEE. A holder of any license issued
155 pursuant to this chapter.

156 ~~(9)~~ (13) PERSON. Any ~~natural person~~ individual, limited
157 or general partnership, corporation, association, limited
158 liability company, or other legal entity, or any combination
159 thereof.

160 ~~(10)~~ (14) QUALIFYING REPRESENTATIVE. The individual
161 designated by a general partnership, limited partnership,
162 corporation, limited liability company, or not-for-profit
163 organization applying for a license who either holds a license
164 individually or meets the experience and ability requirements
165 for licensure, and who is one of the following:

- 166 a. A general partner in the case of any partnership.
167 b. An officer in the case of a corporation.
168 c. A member in the case of a member-managed limited

HB198 INTRODUCED

liability company.

d. A manager in the case of a manager-managed limited liability company.

e. An individual who is affiliated with one of the member entities of a limited liability company and who has been identified and authorized through the operating agreement to manage day-to-day operations as it relates to operations of the limited liability company for purposes of licensure.

~~(11)~~ (15) RESIDENCE. A single unit providing complete independent residential living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation.

~~(12)~~ (16) RESIDENTIAL HOME BUILDER. A person who constructs a residence or structure for sale or who, for a fixed price, commission, fee, or wage, undertakes or offers to undertake the construction or superintending of the construction, or who manages, supervises, assists, or provides consultation to a homeowner regarding the construction or superintending of the construction, of any residence or structure that is not over three floors in height and that does not have more than four residential units, or the repair, improvement, or reimprovement thereof, to be used by another as a residence when the cost of the undertaking exceeds ten thousand dollars (\$10,000). Notwithstanding the foregoing, the term includes a residential roofer when the cost of the undertaking exceeds two thousand five hundred dollars (\$2,500). Nothing herein shall prevent any person from performing these acts on his or her own residence or on his or

HB198 INTRODUCED

her other real estate holdings. Anyone who engages or offers to engage in any acts described in this subdivision, through advertising or otherwise, shall be deemed to have engaged in the business of residential home building.

~~(13)~~ (17) RESIDENTIAL ROOFER. A person who installs products or repairs surfaces on the external upper covering of a residence or structure that seals, waterproofs, or weatherproofs the residence or structure.

~~(14)~~ (18) STRUCTURE. A residence on a single lot, including a site-built home, a condominium, a duplex or multi-unit residential building consisting of not more than four residential units, or any improvement thereto.

~~(15)~~ (19) TRANSACTION. The act of entering into a contract with a licensee to engage in the business of residential home building."

"§34-14A-7

(a) Any residential home builder who desires to receive a new or renewal license under this chapter shall make and file with the board 30 days prior to the next meeting of the board a written application on a form prescribed by the board. Each applicant shall be a citizen of the United States or, if not a citizen of the United States, a person who is legally present in the United States with appropriate documentation from the federal government. ~~Such~~ The application shall be accompanied by the payment of the annual license fee required by the board. After the board accepts the application, the applicant may be examined by the board at its next meeting. The board, in examining the applicant, shall consider the

HB198 INTRODUCED

following qualifications of the applicant:

(1) Experience.

(2) Ability.

(3) Character.

(4) Business-related financial condition.

a. The board may require a financial statement on a form prescribed by the board and a public records search directly from a credit reporting agency.

b. The board may require a positive net worth or other evidence of business-related financial condition sufficient to reasonably satisfy the board of the applicant's financial responsibility.

c. The board may require that business-related judgments, judgment liens, and other perfected liens must be satisfied and released.

d. Any information obtained by the board pursuant to this subsection relating to the financial condition of an applicant shall not be public information.

(5) Ability and willingness to serve the public and conserve the public health and safety.

(6) Any other pertinent information the board may require.

(b)(1) If the board finds the applicant qualified to engage in residential home building in Alabama, the applicant shall be issued a license. An applicant rejected by the board shall be given an opportunity to be reexamined after a new application has been filed and an additional application fee paid.

HB198 INTRODUCED

(2) A record shall be made and preserved by the board of each examination and the findings of the board pertaining to the examination. A copy of the record shall be made available to any applicant requesting it upon the payment of a reasonable fee to the board.

(c) The board, by rule, may require proof of and maintenance of insurance as a qualification for licensure.

(d) The board, by rule, may establish or adopt, or both, education requirements and may approve, administer, or financially support the program or programs providing residential construction education.

(e)(1) Each licensee shall notify the board within 10 days after notice of the institution of any criminal prosecution against him or her. The notification shall be in writing, by certified mail, and shall include a copy of the specific charge made together with a copy of the indictment, information, or complaint, affidavit, and warrant making the charges.

(2) Each licensee shall notify the board in writing by certified mail within 10 days after he or she receives ~~the~~ notice that any criminal verdict has been rendered against him or her, or that a criminal action pending against him or her has been dismissed.

(f) Each licensee shall ~~utilize~~use a valid written contract when engaging in the business of residential home building. In addition to any other requirements provided by law, the contract shall contain the licensee's license number issued by the board.

HB198 INTRODUCED

(g) Whenever a licensee engages in advertising, the licensee shall ensure that the licensee's valid license number issued by the board is displayed.

~~(g)~~ (h) When any residential home building to be performed will comply with a program designed to enhance the resiliency of the structure beyond the requirements of the applicable building codes, the licensee shall disclose this compliance to the homeowner in writing prior to the commencement of the residential home building.

~~(h)~~ ~~(1)~~ (i) (1) Any licensee who desires to receive an inactive license shall make and file with the board a written application for an inactive license on a form prescribed by the board prior to the expiration of his or her current license. The application shall be accompanied by the payment of the annual inactive license fee required by the board. No act for which a license is required may be performed under an inactive license. In the event a person holding a current inactive license applies for a license, he or she may rely upon his or her inactive license as evidence of the experience and ability requirements for licensure under subdivisions (1) and (2) of subsection (a).

(2) A person holding an expired license who seeks to reactivate his or her license within three years of the date of expiration shall be deemed to have satisfied the experience and ability requirements for licensure if application is made within the three-year time period and all other licensing requirements pursuant to subsection (a) have been met.

(3) Any building official or building inspector who

HB198 INTRODUCED

desires to receive an inactive license shall make and file with the board 30 days prior to the next meeting of the board a written application for an inactive license on a form prescribed by the board. After the board accepts the application, the applicant may be examined by the board at its next board meeting. The board, in examining the applicant, shall consider the following qualifications of the applicant as satisfying the experience and ability requirements for licensure:

a. That the building inspector is an employee of the United States, the State of Alabama, or any municipality, county, or other political subdivision and, by virtue of that employment, is exempted or prohibited by law from holding a license; and

b. That the building inspector does any of the following:

1. Maintains current certification from the Southern Building Code Congress International as one of the following:

- (i) Chief building official.
- (ii) Deputy building official.
- (iii) Building inspector.
- (iv) Housing inspector.
- (v) Design professional.
- (vi) Plan reviewer.

2. Maintains current certification from the International Code Council as one of the following:

- (i) Certified building official.
- (ii) Building inspector.

HB198 INTRODUCED

(iii) Residential building inspector.

(iv) Property maintenance and housing inspector.

(v) Building plans examiner.

(vi) Design professional.

3. Possesses sufficient building qualifications and experience to receive a license, as demonstrated by satisfactory evidence presented to the board.

(4) In the event a building official or building inspector holding a current inactive license applies for a license, he or she may rely upon his or her inactive license as evidence of the experience and ability requirements for licensure under subdivisions (1) and (2) of subsection (a)."

"§34-14A-12

~~(a) The board may establish or adopt residential building codes and standards of practice for residential home builders within the state. A residential building code or standard of practice adopted or established by the board does not supersede or otherwise exempt residential home builders from a local building law or code adopted by the governing body of a county or municipality or from a local or general law.~~

(a) The board shall have the sole authority to adopt the following codes:

(1) The Alabama Residential Building Code, which shall apply to all construction and improvement governed by this chapter.

(2) The Alabama Residential Energy Code, which shall apply to all residential construction and improvements.

HB198 INTRODUCED

(b) (1) The Alabama Residential Building Code shall be enforced by local jurisdictions that have permitting and inspection programs for residential construction and improvements that are adhered to by residential home builders. The Alabama Residential Building Code does shall not supersede any local residential building code adopted by any county or municipality in effect on October 1, 2024.

(2) The Alabama Residential Energy Code shall be enforced by local jurisdictions that have adopted energy code provisions for residential and commercial construction and improvements. Provided however, such provisions shall not exceed those contained within the Alabama Residential Energy Code.

(3) A local building code adopted or amended by any county or municipality after October 1, 2024, shall meet the minimum standards of the Alabama Residential Building Code in effect at the time of the local building code adoption or amendment and shall not exceed the Alabama Residential Energy Code, unless compliance with any federal mandate requires such adoption or amendment.

(4) Notwithstanding any other provision of law to the contrary, the Alabama Residential Building Code does not apply to any agricultural building except for any residence contained therein.

~~(b) (c) (1) The county commissions of the several~~
~~counties~~ A county commission, by resolution, may adopt building laws and codes ~~by ordinance which that~~ shall apply in the unincorporated areas of the county. The county commission

HB198 INTRODUCED

shall provide a copy of any resolution adopted pursuant to this subsection to the board within 10 business days of adopting the resolution.

(2) A local building law or code adopted pursuant to this subsection may not take effect until 120 days after the resolution was adopted; provided, in the case of an insurance claim requiring work and activities for which a license is required by this chapter, the effective date for the building law or code shall be the date of adoption by the local jurisdiction.

(3) ~~The~~ Except as provided in Section 11-40-10(b)(2), the building laws and codes of the county commission shall not apply within any municipal police jurisdiction outside of the corporate limits of the municipality, ~~in which that municipality is exercising its building laws or codes, without the express consent of the governing body of that municipality.~~ The building laws and codes of the county commission may apply within the corporate limits of any municipality only with the express consent of the governing body of the municipality.

(4) The county commission may employ building inspectors to see that its laws or codes are not violated and that the plans and specifications for buildings are not in conflict with the ~~ordinances~~ laws and codes of the county and may exact fees to be paid by the owners of the property inspected.

(5) The county commission, by resolution, may discontinue its administration and enforcement of the building

HB198 INTRODUCED

laws and codes. However, the discontinuation shall not take effect until 120 days after the resolution was adopted. The county commission shall provide a copy of the resolution to the board within 10 business days of adopting the resolution.

~~(e)~~ (d) Utilizing the same authority and procedures as municipalities pursuant to Sections 11-53A-20 to 11-53A-26, inclusive, the county commission may condemn buildings, parts of buildings, or structures dangerous to the public and prohibit the use thereof and abate the same as a nuisance.

~~(d)~~ (e) The county commissions, municipalities, and other public entities may enter into mutual agreements, compacts, and contracts for the administration and enforcement of their respective building laws and codes. A county commission or municipality shall provide a copy of the mutual agreement, compact, or contract to the board within 10 business days of its execution.

(f) A county commission or municipality shall provide to the board a copy of any resolution, ordinance, or agreement adopted pursuant to Section 11-40-10(b)(2) within 10 business days of its adoption.

(g) Nothing in this section shall be construed to restrict the power of any county or municipality to adopt and enforce local building laws or codes that either comply with or exceed the minimum standards of the Alabama Residential Building Code; provided the local laws or codes are adopted or amended in accordance with this chapter."

"§34-14A-20

(a) The Alabama Construction Trade Academy Fund is

HB198 INTRODUCED

established in the State Treasury. The fund shall be comprised of federal, state, and private funding through direct budgetary funding and grants for the expansion of construction trade education. To the extent practicable, monies in the fund shall be used to leverage other forms of funding from private sources. A percentage of matching funds, as established by the advisory council, must come from private, non-governmental sources. The board may not use more than 15 percent of the monies in the fund for administrative and operational costs incurred in the implementation and administration of this section. The board's statutory obligations pursuant to this chapter shall be contingent upon the appropriation of funding.

(b) The board, in cooperation with public and private sector partners, shall establish a program to provide funding mechanisms for tool grants, program incentives, supplies, mobile facilities, and other programs to support the development and continuation of construction trade education programs in the state.

(c) The board shall administer the program and ~~shall~~may apply for funds from federal grant programs and other applicable funding sources authorized by law.

(d) (1) The Alabama Construction Trade Advisory Council is established. The advisory council shall consist of the following members:

a. One member appointed by and currently serving on the Home Builders Licensure Board.

b. One member appointed by and currently serving on the State of Alabama Plumbers and Gas Fitters Examining Board.

HB198 INTRODUCED

c. One member appointed by and currently serving on the Licensing Board for General Contractors.

d. One member appointed by and currently serving on the State Board of Heating, Air Conditioning, and Refrigeration Contractors.

e. One member appointed by and currently serving on the Alabama Board of Electrical Contractors.

f. One appointee of the State Department of Education who specializes in technical trade education.

g. One appointee of the Alabama Community College System who specializes in technical trade education.

(2) Members of the advisory council shall be appointed for a period of one year. Membership on the advisory council shall be without compensation, except for reimbursement of necessary travel expenses as is paid to state employees for attending meetings and other necessary events of the advisory council. Any expenses paid to a member of the advisory council shall be paid by the member's appointing authority.

(e) The advisory council shall make recommendations to the board, and the board shall establish program guidelines, promote the program statewide, evaluate applications for funds, distribute funds, and monitor and report the effect of the funding on the availability of construction trade education. The board may adopt rules to implement and administer this section.

(f) The advisory council shall recommend and the board shall establish monitoring and accountability mechanisms for projects receiving funding. Not later than the fifth

HB198 INTRODUCED

legislative day of each regular legislative session, the board shall file a report to the Legislature on the projects funded, the geographic distribution of projects funded, the private sector participation rates in funded projects, the administrative costs of the program, and the outcomes of the program, including the number of students and adult learners trained by each project funded through the program.

(g) The advisory council shall recommend and the board shall create eligibility guidelines and provide project funding through an application process. Projects eligible for funding include the following:

(1) Mobile demonstration units that show the various systems of a structure and how they interconnect.

(2) Tool and supply grants for public and private educational providers that provide construction trade education.

(3) Incentives for newly established construction trade education courses, with priority given to carpentry courses.

(4) Adult education initiatives that provide continued learning opportunities through mobile training facilities or distance learning opportunities with priority focus on those serving underserved areas and widely offered trainings.

(5) Any other proposal that in the opinion of the board would address the need for construction trade education in the state.

(h) An applicant may be a nonprofit organization, not-for-profit entity, public school system, two-year college, university, or other governmental entity. An applicant for

HB198 INTRODUCED

533 funding shall do all of the following:

534 (1) Demonstrate its capacity to successfully implement
535 the proposal.

536 (2) Demonstrate how the proposal shall positively
537 impact construction trade education in the state.

538 (3) Demonstrate private sector support through matching
539 funding.

540 (4) Establish an advisory council consisting of at
541 least three active trade representatives from the construction
542 trade being funded.

543 (5) For a period of not less than five years, agree to
544 comply with the following conditions:

545 a. Offer the courses funded through this section for a
546 period of not less than five years.

547 b. Comply with all data collection and reporting
548 requirements established by the board.

549 (i) In determining which qualified projects to fund,
550 the board shall consider all of the following factors:

551 (1) The level of private sector support for the
552 project.

553 (2) The level of need in the area in which the funding
554 is directed.

555 (3) The projected number of students that will be
556 served.

557 (4) The degree to which the project will have a
558 positive impact on the availability of construction trade
559 education in the area to be served.

560 (5) The degree to which the project will leverage

HB198 INTRODUCED

561 public and private sector funds.

562 (j) The board shall establish program guidelines that
563 require matching funds on all funded projects. A minimum of 10
564 percent of matching funds shall be provided by private,
565 non-governmental sources. Total matching funds required may
566 not be required to exceed 25 percent of awarded state funds,
567 although additional consideration may be provided to projects
568 that exceed this amount.

569 (k) In the event that a recipient of funding provided
570 by this section fails to provide the proposed project in
571 accordance with the guidelines set forth by the board, any
572 equipment, supplies, or materials acquired with the funding
573 shall be transferred to the Alabama Home Builders Foundation
574 for redistribution to public or private programs that provide
575 construction trade education to high school, postsecondary, or
576 adult learners supported by this section.

577 (l) Any and all proceeds from the sale of equipment,
578 supplies, or materials acquired through academy funding shall
579 go into the fund."

580 Section 3. Sections 34-14A-12.1 and 34-14A-12.2 are
581 added to the Code of Alabama 1975, to read as follows:

582 §34-14A-12.1

583 Beginning January 1, 2027, a residential home builder
584 within this state who constructs, renovates, or repairs a
585 residence or structure shall do so in accordance with the
586 Alabama Residential Building Code adopted pursuant to Section
587 34-14A-12 or, if applicable, the local jurisdiction's
588 residential building code.

HB198 INTRODUCED

§34-14A-12.2

(a) Beginning on October 1, 2024, the Home Builders Licensure Board and any other state, municipal, or county governing body may not adopt or amend a building code, ordinance, resolution, or rule that would restrict a consumer's ability to elect to install, by the consumer's choice and for a fee, or require the installation of, a residential fire sprinkler system in any residence or structure as defined by this chapter.

(b) Notwithstanding subsection (a), a county commission or municipal governing body that adopted any ordinance, resolution, or other building code on or before March 9, 2010, relating to the installation of a residential fire sprinkler system, may continue to enforce or amend the ordinance, resolution, or building code.

Section 4. Article 2, commencing with Section 34-14A-41, is added to Chapter 14A of Title 34, Code of Alabama 1975, to read as follows:

Article 2.

§34-14A-41

(a) (1) The Alabama Residential Building Code Division is established within the Home Builders Licensure Board. The executive director of the board may employ staff as necessary to carry out the duties of the division.

(2) The board and the division's statutory administration and enforcement obligations pursuant to this chapter shall be contingent upon the appropriation of funding.

(b) The division shall be responsible for taking action

HB198 INTRODUCED

upon any and all recommendations made by the Alabama Residential Building Code Advisory Council and ratified by the board for the furtherance of its statutory purpose.

§34-14A-42

The executive director of the board may employ staff necessary to carry out the duties of the division, including a division administrator, programs support personnel, administrative support personnel, and any other personnel necessary to carry out the statutory purpose of the division for the administration, implementation, and enforcement of the Alabama Residential Building Code.

§34-14A-43

(a) The division shall use funds distributed to the Alabama Residential Building Code Fund for the purpose of administering and enforcing the Alabama Residential Building Code.

(b) Subject to availability of funds and upon request from a local jurisdiction, the division shall provide matching funds to local jurisdictions that have also applied for funds from federal grant programs and other applicable funding sources authorized by law to support local adoption and implementation of the Alabama Residential Building Code.

(c) The division shall work with the State Energy Office to ensure that all applicable federal regulations regarding the residential energy code are met.

§34-14A-44

(a) The Alabama Residential Building Code Fund is established within the State Treasury. The fund shall be

HB198 INTRODUCED

administered by the board for the administration and operation of the division and the enforcement of the Alabama Residential Building Code.

(b) Receipts deposited into the fund shall be disbursed only by warrants of the state Comptroller drawn upon the State Treasury on itemized vouchers approved by the executive director of the board.

(c) No funds shall be withdrawn or expended except as budgeted and allotted according to Sections 41-4-80 to 41-4-96, inclusive, and 41-19-1 to 41-19-12, inclusive, and only in amounts as stipulated in the general appropriations act, other appropriation acts, or this section.

(d) At the end of each fiscal year, any unencumbered balance of up to 25 percent of the amount appropriated for that fiscal year shall not revert to the State General Fund under Section 41-4-93, but shall carry over to the next fiscal year within the Alabama Residential Building Code Fund, and any unencumbered balance over 25 percent of the amount appropriated for that fiscal year shall revert to the State General Fund.

Section 5. Article 6A, commencing with Section 41-9-175, is added to Chapter 9 of Title 41, Code of Alabama 1975, to read as follows:

Article 6A.

§41-9-175

(a) The Alabama Residential Building Code Advisory Council is established.

(b) The council shall consist of the following members:

HB198 INTRODUCED

673 (1) One member appointed by the Commissioner of
674 Insurance to represent the largest domestic property and
675 casualty provider in the state.

676 (2) The State Fire Marshal, or his or her designee.

677 (3) The Director of the Emergency Management Agency, or
678 his or her designee.

679 (4) The Executive Director of the Home Builders
680 Licensure Board, or his or her designee.

681 (5) One member appointed by the Home Builders Licensure
682 Board.

683 (6) One member appointed by the State Board of Heating,
684 Air Conditioning, and Refrigeration Contractors.

685 (7) One member appointed by the Governor to represent
686 the private, investor-owned, electric utility industry.

687 (8) One member appointed by the Lieutenant Governor to
688 represent the natural gas industry.

689 (9) One member appointed by the American Council of
690 Engineering Companies of Alabama.

691 (10) One member appointed by the Alabama League of
692 Municipalities.

693 (11) One member appointed by the Association of County
694 Commissions of Alabama.

695 (12) One member appointed by the Alabama Council of the
696 American Institute of Architects.

697 (13) One member appointed by the Home Builders
698 Association of Alabama.

699 (14) One member appointed by the Code Officials
700 Association of Alabama.

HB198 INTRODUCED

(15) One member appointed by the Commissioner of Insurance to represent the largest foreign property and casualty insurance provider in the state.

(16) One member appointed by the State of Alabama Plumbers and Gas Fitters Examining Board.

(17) One member appointed by the Alabama Rural Electric Association of Cooperatives to represent the rural electric cooperative industry.

(c) The appointing authorities shall coordinate their appointments to assure that membership of the council is inclusive and reflects the racial, gender, geographic, urban, rural, and economic diversity of the state.

(d) Each of the appointed members of the council shall be appointed for a six-year term, the term to begin on January 1, 2025, and may be reappointed for a second six-year term pursuant to the appointing authority.

§41-9-175.01

(a) The first meeting of the council shall be called by the executive director of the board no later than March 1, 2025. The executive director shall preside until a chair and a vice chair are selected by the council. The council shall elect from its own members a chair, a vice chair, and other officers as it may deem desirable.

(b) The council shall hold meetings at the call of the chair of the board or at the recommendation of the board to propose a recommended Alabama Residential Building Code to the Home Builders Licensure Board. Thereafter, the council shall meet from time to time, at the call of the chair of the board

HB198 INTRODUCED

or at the request of the board, to consider updates and amendments to the code. Meetings shall be held at a time and place as designated or specified in its rules.

(c) A majority of the members of the council shall constitute a quorum at all of its meetings, and adoption or resolution of any business shall require the concurrence of a majority of all the members of the council. An agenda for the meetings in sufficient detail to indicate the terms on which final action is contemplated shall be submitted by the administrator to the chair, vice chair, and council members prior to the meeting.

(d) All meetings of the council shall be held in accordance with the Alabama Open Meetings Act, Chapter 25A of Title 36.

(e) The administrator of the Alabama Residential Building Code Division shall serve as ex officio secretary of the council, keep a record of the proceedings of all council meetings, and perform other duties as may be directed by the council.

(f) The council may establish committees among its membership, as it deems necessary, to assist in the conduct of its business.

§41-9-175.02

(a) By October 1, 2025, the council shall submit to the Home Builders Licensure Board for adoption the proposed Alabama Residential Building Code. The board may adopt or amend the proposed minimum statewide residential building code prior to adoption.

HB198 INTRODUCED

(b) The proposed Alabama Residential Building Code, and any subsequent amendment to the code, shall be based upon a published edition of the Alabama Energy and Residential Code as adopted and amended from the International Residential Code (IRC) and the International Energy Conservation Code (IECC). Subsequent recommendations for adoptions or amendments to the Alabama Residential Building Code shall be based upon published editions of the IRC and IECC. In addition, the council shall take into consideration provisions for sealed roof decks and related roof construction standards contained in either the Coastal Construction Code Supplement or the Inland Construction Code Supplement as well as standards related to energy efficiency pertaining to residential construction.

(c) The council shall make recommendations with respect to all matters pertaining to the implementation of the Alabama Residential Building Code.

(d) When adopted by the board, recommendations of the council shall be administered by the division.

§41-9-175.03

(a) At the direction of the board, the council shall do all the following:

(1) Propose to the board for consideration of adoption of an Alabama Residential Building Code or amendments to the code.

(2) Evaluate, assess, advise, and counsel the division on the Alabama Residential Building Code and the impact of the code upon the economy and the environment.

HB198 INTRODUCED

(3) Solicit and enlist the cooperation of all appropriate private-sector and community-based organizations to implement this article.

(4) Make continuing studies, evaluations, and surveys, upon the request of the board, of the needs and impacts of the Alabama Residential Building Code.

(5) Adopt rules for the conduct of the council meetings, procedures, and execution of the purpose, functions, powers, and duties delegated to it by this section.

(6) Conduct a program of public information in order to inform the units of local government, residential home builders, and the residents of the state on the importance of the residential building code.

(7) Recommend to the board qualifications and certifications for third-party fee-based code inspectors.

Section 6. Sections 41-23-80, 41-23-81, 41-23-82, 41-23-84, and 41-23-85, Code of Alabama 1975, are amended to read as follows:

"§41-23-80

The Legislature finds that the development, management, efficient consumption, and conservation of ~~residential~~ energy resources are of prime importance throughout this state and this nation. It is also important to ensure the protection of the economic and environmental values of Alabama's ~~citizens~~residents. It is the intent of the Legislature to do each of the following pursuant to this article:

(1) Encourage the conservation and efficient use of ~~residential~~ energy resources within this state's counties and

HB198 INTRODUCED

813 municipalities.

814 (2) Provide a governmental environment that will
815 promote an initiative for the implementation of the ~~Alabama~~
816 ~~Energy and Residential Codes~~Alabama Commercial Energy Code by
817 the units of local government.

818 (3) Advise and assist ~~the~~ units of local government in
819 adopting the ~~Alabama Energy and Residential Codes~~Alabama
820 Commercial Energy Code and implementing those code provisions
821 within their boundaries.

822 (4) Promote the identification of energy management
823 technologies available for ~~residential~~commercial uses, ~~and to~~
824 disseminate information to the units of local government about
825 such technologies and their uses.

826 (5) Promote the acceptance and adoption of those energy
827 management technologies for use in all energy-consuming
828 ~~residential~~commercial facilities throughout this state.

829 (6) Provide a process for the adoption of modern
830 ~~building and~~ energy codes by the State of Alabama.

831 (7) Provide a process by which the State of Alabama
832 shall adopt required commercial codes in compliance with
833 federal law."

834 "§41-23-81

835 The following terms ~~shall~~ have the meanings
836 respectively prescribed for them, except when the context
837 otherwise requires:

838 (1) ~~ALABAMA ENERGY AND RESIDENTIAL CODES~~ALABAMA
839 COMMERCIAL ENERGY CODE. The codes adopted by the board, as
840 amended by the board, and based on the 2006 Edition of the

HB198 INTRODUCED

841 International Energy Conservation Code, and ANSI/ASHRAE/IESNA
842 Standard 90.1-2007 for commercial buildings, ~~and the 2006~~
843 ~~International Residential Code published by the International~~
844 ~~Code Council,~~ or any subsequent editions, changes, or
845 recom compilations thereof, or any other code which the board
846 officially adopts.

847 (2) BOARD. The Alabama ~~Energy and Residential~~
848 ~~Codes~~ Commercial Energy Code Board created by this article.

849 (3) DEPARTMENT. The Alabama Department of Economic and
850 Community Affairs.

851 (4) DIVISION. The Energy Division of the Alabama
852 Department of Economic and Community Affairs.

853 (5) UNIT OF LOCAL GOVERNMENT. Any county or
854 municipality within the State of Alabama."

855 "§41-23-82

856 (a) The Alabama ~~Energy and Residential Codes~~ Commercial
857 Energy Code Board is established.

858 (b) The board shall consist of ~~15~~13 members appointed
859 by the Governor and two additional members, numbered ~~16~~14 and
860 ~~17~~15, appointed by the Chair of the Permanent Joint
861 Legislative Committee on Energy Policy. The members appointed
862 by the Governor shall be legal residents of the state, and
863 shall be selected on the basis of their representation of the
864 following organizations, industries, entities, and
865 professions:

866 ~~(1) One member shall represent the Home Builders~~
867 ~~Association.~~

868 ~~(2)~~ (1) One member shall represent the Board of General

HB198 INTRODUCED

869 Contractors.

870 ~~(3)~~ (2) One member shall represent the State Board of

871 Heating, Air Conditioning, and Refrigeration.

872 ~~(4)~~ (3) One member shall represent the private,

873 investor-owned, electric utility industry.

874 ~~(5)~~ (4) One member shall represent the rural electric

875 cooperative industry.

876 ~~(6)~~ (5) One member shall represent the natural gas

877 industry.

878 ~~(7)~~ (6) One member shall be a licensed professional

879 engineer.

880 ~~(8)~~ (7) One member shall represent municipalities.

881 ~~(9)~~ (8) One member shall represent county governments.

882 ~~(10)~~ (9) One member shall represent the Alabama Council,

883 American Institute of Architects.

884 ~~(11)~~ (10) One member shall represent the Alabama

885 Liquefied Petroleum Gas Board.

886 ~~(12)~~ (11) One member shall represent the International

887 Code Council (ICC) Alabama Chapter, Code Officials Association

888 of Alabama.

889 ~~(13) One member shall represent the Home Builders~~

890 ~~Licensure Board.~~

891 ~~(14)~~ (12) One member shall represent the Alabama Joint

892 Fire Council.

893 ~~(15)~~ (13) One member shall represent the Property and

894 Casualty Insurance Industry.

895 ~~(16)~~ (14) One member shall be a Senate member of the

896 Permanent Joint Legislative Committee on Energy Policy

HB198 INTRODUCED

897 selected by the chair of the committee.

898 ~~(17)~~ (15) One member shall be a House of Representatives
899 member of the Permanent Joint Legislative Committee on Energy
900 Policy selected by the chair of the committee.

901 (c) Each member appointed by the Governor shall be
902 selected from a list of three candidates provided to the
903 Governor by the division from each entity listed above. Board
904 appointees shall be selected on the basis of their interest in
905 problems concerning ~~residential~~ commercial energy resources,
906 consumption, and conservation, and without regard to political
907 affiliation. Appointments shall be of such a nature as to aid
908 the work of the board and to inspire the highest degree of
909 coordination and cooperation. All members of the board shall
910 be deemed members at-large charged with the responsibility of
911 serving the best interests of the board, the division, the
912 units of local government, and the state. No member shall act
913 as the representative of any particular region, United States
914 congressional district in Alabama, or state Senate or
915 legislative district in Alabama.

916 (d) The board shall exercise authority with respect to
917 all matters pertaining to the acceptance, adoption, and
918 implementation of the Alabama ~~Energy and Residential~~
919 ~~Codes~~ Commercial Energy Code by the State of Alabama. Decisions
920 of the board shall be administered by the chief of the
921 division with the assistance of such other officers and
922 department employees as are deemed necessary to carry out the
923 purpose, functions, duties, and activities of the board.

924 (e) The membership of the board shall be inclusive and

HB198 INTRODUCED

should reflect the racial, gender, geographic,
~~urban/rural~~urban, rural, and economic diversity of the state.

(f) This article shall not apply to the erection or construction of a farm structure. The term farm structure, for the purposes of this ~~act~~subsection, means a structure that is constructed on a farm, other than a residence or a structure attached to it, for use on the farm including, but not limited to, barns, sheds, and poultry houses. A farm structure does not include a structure originally qualifying as a farm structure but later converted to another use."

"§41-23-84

(a) The first meeting of the board shall be called by the chief of the division as soon as is practicable after July 31, 1995. The division chief shall preside until a chair and a vice chair are selected by the board. The board shall elect annually from its own members a chair, a vice chair, and such other officers as it may deem desirable, and shall adopt rules for its organization in the conduct of its business.

(b) The board shall hold a regular meeting at least once during each calendar year at a time and place as designated or specified in its rules. Special or additional meetings may be held on a call of the chair, upon a call signed by at least seven members, or upon a call by the division chief.

(c) A majority of the members of the board shall constitute a quorum at all its meetings, and adoption or resolution of any business shall require the concurrence of a majority of all the members of the board. An agenda for the

HB198 INTRODUCED

meetings in sufficient detail to indicate the terms on which final action is contemplated shall be ~~mailed~~provided by the division chief to the chair, vice chair, and board members ~~at least 30 days~~ prior to the meeting.

(d) The division chief shall serve as ex officio secretary of the board, and shall keep a record of the proceedings of all board meetings, ~~and~~ and perform ~~such~~ other duties as may be delegated by the board. The division chief shall not receive any additional compensation for the performance of those duties on the board or pursuant to this article.

(e) The board may establish committees among its membership, ~~as it deems necessary,~~ to assist in the conduct of its business. Subcommittees shall include representation from suppliers or others interested in the subject matter assigned to the subcommittees, or both.

(f) All meetings of the board shall be held in accordance with the Alabama Open Meetings Act, Chapter 25A of Title 36."

"§41-23-85

(a) The board shall exercise authority with respect to all matters pertaining to the acceptance and adoption, and implementation of the Alabama ~~Energy and Residential Codes~~ Commercial Energy Code by the State of Alabama. In so doing, the board may perform any of the following functions:

(1) Review, amend, and adopt the Alabama ~~Energy and Residential Codes~~ Commercial Energy Code. The board shall consider updates and changes to the codes referenced herein no

HB198 INTRODUCED

less than two years after the date of publication of the most recent version of the codes.

(2) Evaluate, assess, advise, and counsel the division and the units of local government, on residential energy codes and the impact of those codes upon the economy and the environment.

(3) Solicit and enlist the cooperation of all appropriate private-sector and community-based organizations to implement the purpose of this article.

(4) Make recommendations to the division for the enactment of additional legislation as it deems necessary which proposes to further enhance the capabilities of the state and the units of local government in accepting, adopting, and implementing the Alabama ~~Energy and Residential Codes~~Commercial Energy Code, and in meeting the need for increasing residential energy resources and conservation due to trends in residential population and the change in technical requirements of the economy.

(5) Make continuing studies, on its own initiative or upon the request of the division, of the residential energy resources, conservation, and consumption needs throughout the state, and issue those reports to the division and to the units of local government as may result from its studies.

(6) Submit to the chief of the division, on an annual basis, a written report covering the activities of the board.

(7) Make rules and regulations for the conduct of its board meetings, procedures, and execution of the purpose, functions, powers, and duties delegated to it by this article.

HB198 INTRODUCED

1009 (8) Conduct a program of public information in order to
1010 inform the units of local government and the ~~citizens~~residents
1011 of the state on the importance of ~~residential and~~commercial
1012 energy codes, conservation, and consumption.

1013 (9) Identify any and all resources needed or required
1014 for the board to implement the purpose, functions, powers, and
1015 duties of this article.

1016 (b) The division shall be responsible for taking action
1017 upon any and all recommendations to which the board may from
1018 time to time submit.

1019 (c) (1) Except as provided in this section, any code
1020 adopted by any state or county entity or agency after March 9,
1021 2010, shall not conflict with the codes adopted by the board.
1022 A county entity or agency may elect to amend the Alabama
1023 ~~Energy and Residential Codes~~Commercial Energy Code as local
1024 conditions require, but shall not make any amendment to
1025 mandate residential fire sprinklers or to provisions which are
1026 mandated or required by any federal law or federal regulation.

1027 (2) As of March 9, 2010, any municipality ~~which~~ that
1028 does not have a code in effect adopted pursuant to Section
1029 11-45-8 shall not adopt any energy or residential code other
1030 than the Alabama Commercial Energy and Residential Codes
1031 adopted by the board or any newer versions thereof. Provided,
1032 however, a municipality may elect to amend the Alabama ~~Energy~~
1033 ~~and Residential Codes~~Commercial Energy Code as local
1034 conditions require, but shall not make any amendment to
1035 mandate residential fire sprinklers or to provisions which are
1036 mandated or required by any federal law or federal regulation.

HB198 INTRODUCED

1037 (3) ~~Except as provided in subsection (d), nothing~~
1038 Nothing contained in this article shall apply to any
1039 municipality with a code adopted pursuant to Section 11-45-8
1040 in effect as of March 9, 2010, nor shall ~~it~~ anything in this
1041 article prevent any such municipality from making any changes
1042 or amendments to existing codes after March 9, 2010. Provided,
1043 however, that a municipality shall not make any amendment to
1044 provisions which are mandated by any federal law or federal
1045 regulation.

1046 ~~(d) A municipal, county, or state governing entity or~~
1047 ~~agency may not enact an ordinance, rule, bylaw, order,~~
1048 ~~building code, or other legal device that would restrict a~~
1049 ~~consumer's ability to elect to install, by the consumer's~~
1050 ~~choice and for a fee, a residential fire sprinkler system in~~
1051 ~~any new or existing one-family or two-family dwelling. A~~
1052 ~~municipal, county, or state governing entity or agency may not~~
1053 ~~enact an ordinance, rule, bylaw, order, building code, or~~
1054 ~~other legal device that would require the installation of a~~
1055 ~~residential fire sprinkler system in any new or existing~~
1056 ~~one-family or two-family dwelling. Provided, however, all~~
1057 ~~municipalities governed by subdivision (3) of subsection (c)~~
1058 ~~which have enacted any ordinance, rule, bylaw, order, building~~
1059 ~~code, or other legal device as of March 9, 2010, relating to~~
1060 ~~the installation of a residential fire sprinkler system may~~
1061 ~~continue to enforce or amend such ordinance, rule, bylaw,~~
1062 ~~order, building code, or other legal device."~~

1063 Section 7. (a) A local building code adopted or
1064 amended by any county or municipality after October 1, 2024,

HB198 INTRODUCED

1065 shall meet the minimum standards of the Alabama Residential
1066 Building Code in effect at the time of the local building code
1067 adoption or amendment and shall not exceed the energy
1068 provisions of the Alabama Residential Building Code, unless
1069 compliance with any federal mandate requires such adoption or
1070 amendment.

1071 (b) A county commission or municipality shall provide
1072 to the board a copy of any resolution, ordinance, or agreement
1073 adopted pursuant to Section 11-40-10(b)(2), Code of Alabama
1074 1975, within 10 business days of its adoption.

1075 Section 8. This act shall become effective on October
1076 1, 2024.
