4     SYNOPSIS:

5                 Under existing law, the filling and distributing  
6     of liquefied petroleum gas is regulated by the Alabama  
7     Liquefied Petroleum Gas Board.

8                 This bill would prohibit permittees of the board  
9     from filling or storing LP-Gas cylinders for retail  
10    sale within a certain distance of public gathering  
11    places.

13

14                 A BILL

15                 TO BE ENTITLED

16                 AN ACT

17

18                 Relating to the Alabama Liquefied Petroleum Gas Board;  
19     to add Section 9-17-111 to the Code of Alabama 1975, to  
20    prohibit permittees from filling or storing LP-Gas cylinders  
21    within a certain distance of public gathering places.

22     BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

23                 Section 1. Section 9-17-111 is added to the Code of  
24     Alabama 1975, to read as follows:

25                 §9-17-111

26                 (a) No permittee operating a bulk facility for the  
27     purpose of filling liquefied petroleum gas cylinders for  
28     distribution for subsequent retail sale may fill or store

## SB2 INTRODUCED

29 filled liquefied petroleum gas cylinders within 3,000 feet of  
30 the boundary line of adjoining real property upon which a  
31 school, church, hospital, athletic field, or other place of  
32 public gathering is located.

33 (b) This section shall not be construed to apply to a  
34 retail facility where filled liquefied petroleum gas cylinders  
35 are stored for retail sale, including as part of a liquefied  
36 petroleum gas exchange program.

37 Section 2. This act shall become effective on October  
38 1, 2026.
