(4) To begin the audit process, the voted ballot containers subject to the audit shall be delivered, unopened and still sealed in the original containers, to the inspectors in charge of the audit by the custodian of the ballot containers along with any other necessary election materials, including electronic data.

(5) The post-election audit shall commence no earlier than 31 days following the statewide general election or the expiration of the time period for filing an election contest, whichever is less, and shall be completed within 30 days of commencement.

The inspector and other poll workers shall sign the containers and return them to the appropriate authority for storage with other records related to the audited election. The judge of probate shall report the findings to the Secretary of State, who shall make all results from the post-election audit public by posting the results on the official website of the Secretary of State.

(7) The post-election audit report shall include all of the following:

b. A description of the likely cause of any problems or discrepancies encountered.

c. Recommendations for corrective or remedial actions.

(8) The Secretary of State shall report all findings of the post-election audit to the Governor and the Legislature within 30 days of receipt of the audits.

(9) Poll watchers shall attend and observe the post-election audit in the same manner as for any other election, and appointments shall be made in the same manner as any general election. The judge of probate shall give notice

to the public of the date, time, and location of the audit by publication in a newspaper of general circulation in the county or on the county's official website. Accredited members of the media shall be permitted to be present and observe the audit being performed.
