(1) Fifteen percent of the value of the edible farm products donated during the tax year for which the credit is claimed. The value of the edible farm products shall be determined in the same manner as a charitable contribution of food for federal tax purposes under 26 U.S.C. § 8170(e)(3)(C); or

shall not receive remuneration for the donation. The tax credit must be taken in the tax year in which the taxpayer was issued a tax credit certificate under subsection (g). The tax credit issued under this act may not decrease a taxpayer's liability to less than zero. If the tax liability of the taxpayer is less than the tax credit issued under this act, the taxpayer may only utilize the amount of the credit that reduces the taxpayer's liability to zero. The tax credit is not refundable nor transferable and may not be carried forward. A taxpayer applying for the tax credit shall only apply for the tax credit for the year in which the edible farm products were donated to a qualifying food bank, regardless of the tax liability of the taxpayer. Nothing in this section shall allow any item to be deducted more than once.

(e) The Department of Revenue shall grant the tax credit against the state income tax that is due by the taxpayer holding the tax credit certificate issued under subsection (g) in the amount stated on the tax credit certificate, subject to the limitations of subsection (d). The department may audit and reassess any credit improperly obtained by the taxpayer in accordance with the Alabama Taxpayers' Bill of Rights and Uniform Revenue Procedures Act, Chapter 2A of Title 40 of the Code of Alabama 1975.

(f) The tax credit authorized by this act is limited to an aggregate amount for all taxpayers of two million dollars (\$2,000,000) annually.

(g) (1) Prior to claiming the income tax credit authorized under subsection (c), the taxpayer shall file an

85 annual informational report in a manner prescribed by the
86 department, which includes information of edible farm products
87 donated, along with additional information as required by the
88 department. Following the receipt of all information required
89 by this subsection, the department shall issue a tax credit
90 certificate to the taxpayer seeking the credit. Tax credit
91 certificates shall be issued on a first come, first served
92 basis until the annual cap provided by subsection (f) is met.
93 In the event the reservations of tax credits equal the total
94 amount available for reservations during the tax year, all
95 eligible taxpayers with applications then awaiting approval or
96 thereafter submitted shall be notified in a manner as
97 prescribed by the department that no additional tax credits
98 shall be granted during that tax year and may seek a tax
99 credit certificate in the next tax year, subject to the
100 limitations of subsection (d), in an amount equal to the
101 amount sought but unavailable in the prior tax year plus any
102 amount otherwise sought for the current tax year.

103 (2) The department shall submit an annual information
104 report to the Department of Revenue by January 31, which
105 includes all certificates issued to taxpayers and any
106 information needed for tax credit verification.

107 (h) The department shall prepare a report detailing the
108 edible farm products donated by farmers and the amount of tax
109 credits claimed under this act. The information on the report
110 shall be consistent with the information required under
111 Section 40-1-50, Code of Alabama 1975, and rules adopted by
112 the Department of Revenue. Information provided under this act

117 Department of Revenue.

118 (i) The department and the Department of Revenue may
119 adopt rules to implement and administer this act.
